Virtual Mental Health Care for Rural and Underserved Settings Donald M. Hilty, Matthew C. Mishkind, Tania S. Malik, Allison Crawford, 2022-10-26 This book focuses on the critical area of delivering mental health services in rural settings. It is designed as a practical guide to the technological provision of timely effective evidence based care helpful to the novice and the experienced practitioner alike. The benefits of this approach are Improved access to and improved quality of care. Technical support for providers and administrators. A means of providing missing specialty care. An ability to maximize scarce resources and significant flexibility for health service delivery. The book will cover how to adjust therapeutic skills to patients needs, models of care and the particular technology used. It shows how rudimentary design of workflow can assist in integrating care and highlights the importance of allowing for cultural needs both rural geography and ethnic race. Administrative issues are also addressed e.g. privacy reimbursement. The chapters are short and designed for maximum practicality including learning objectives, cases and summaries emphasizing what to do and how to do it.

Consultation and Mental Health Interventions in School Settings Ester Cole, Maria Kokai, 2021-11-30 Optimize the delivery of school psychology services with this book. Presents a unique consultation and intervention model. Interlinks primary, secondary and tertiary prevention and intervention applications. Addresses specific student and school level needs. Online resources and handouts. More about the book: This volume, written by leading psychology practitioners and academics, has been designed to meet the ever growing challenges faced by educational systems to address the mental health learning and socialization needs of students. Using a unique and comprehensive consultation and intervention model, the chapters provide evidence based guidance that interlinks primary, secondary and tertiary prevention and intervention applications that allow for systematic consultation, planning and cost effective services. The clear and easy to apply model is used to look at specific student needs that are commonly encountered in schools e.g. depression, ADHD, giftedness and at issues that require school level interventions e.g. diversity, promoting resilience. Practitioners will appreciate the numerous downloadable practical resources and tools for hands on applications that are available online to purchasers of the book. This book is an invaluable resource for school psychologists and mental health service providers as well as for academics involved in training pre service practitioners. The materials for this book can be downloaded from the Hogrefe website after registration.

Social Work in Health Settings Judith L.M. McCoyd, Jessica Euna Lee, Toba Schwaber Kerson, 2022-12-27 This fully revised and expanded fifth edition of *Social Work in Health Settings: Practice in Context* maintains its use of the Practice in Context PiC decision making framework to explore a wide range of social work services in healthcare settings.
