Dan Wetzel, Josh Peter, Jeff Passan, 2011-10-13 With all new reporting, a completely revised and updated second edition of the bestseller that takes down the Great Satan of college sports, the Bowl Championship Series (BCS). Every college sport picks its champion by a postseason tournament, except for one Division I-A football. Instead of a tournament, fans are subjected to the Bowl Championship Series, an arcane mix of polling and mathematical rankings that results in just two teams playing for the championship. It is without a doubt the most hated institution in all of sports. A recent Sports Illustrated poll found that more than 90% of sports fans oppose the BCS, yet

this system has remained in place for more than a decade Building upon top notch investigative reporting Wetzel Peter and Passan at last reveal the truth about this monstrous entity and offer a simple solution for fixing it Death to the BCS Totally Revised and Updated is brought up to date to cover the 2010 2011 season listing which teams were screwed by the BCS such as TCU how much money college football left on the table by not having a playoff based on 2011 tax filings and how the calls for the abolition of the BCS grew even louder this past year The book also includes findings from interviews with power players as well as research into federal tax records congressional testimony and private contracts The first book to lay out the unseemly inner workings of the BCS in full detail Death to the BCS is a rousing manifesto for bringing fairness back to one of our most beloved sports
