Theis, Mark G. Terwilliger, 2021-09-21 In this book we explore the history of college football and in particular the mythical college championship from 1869 to the present day For several years different media outlets took it upon themselves to declare a national championship which led to nothing short of confusion In one year four different teams were named champion This chaotic situation and accompanying controversy ultimately led to the creation of the Bowl Championship Series or BCS Initially the BCS selection was based on a formula that incorporated several polls and computer models However the proprietary nature of the computer models and the complexity of the mathematics used to combine the data sources to arrive at the final selection did very little to quiet the controversy This led to the creation of a selection committee to choose the four best teams to compete in a four team playoff Again controversy has ensued with many questioning the politics and nebulous capricious nature of the criteria We have created an alternate model which we have dubbed the weighted wins system that defines a simple unbiased and consistent mechanism for evaluating and comparing the records of the teams in the NCAA's Bowl Subdivision We have compared the results of the weighted wins model against forty years of actual game results and found that it generates very similar outcomes The primary difference is that it completely removes politics from the selection process and offers a clear path to the playoffs for all members of the Bowl Subdivision **2010 Playmakers**, 2010 The best of the best from the past NFL season are captured here in this full colour poster book **Playing with the Best** Lenny Wagner, 2024-09-15 A biography of Walter French a man who played for both a World Series winner and NFL Championship team Before Bo Jackson and Deion Sanders there were only nineteen men throughout history who played in the Major Leagues of baseball and in the National Football League in the same season Only one man from that group Walter French can lay claim to having played for a World Series winner and an NFL Championship team In 1925 he starred for the Pottsville PA Maroons in their win over the Chicago Cardinals in what was believed to be the NFL championship game only to see the title stripped by a league office decision a controversial move still being argued about today Then in 1929 he was on the Philadelphia Athletics when they beat the Chicago Cubs in five games to win the World Series Walter E French was born in Moorestown New Jersey in 1899 and he just might have been the best but least known all around athlete to emerge from the decade of the 1920s commonly referred to as the Golden Age of Sports One analyst ranked him as the fastest man in football at the time even placing him ahead of Red Grange Although his exploits have dropped from the consciousness of all but the most ardent of sports fans in the last one hundred years in his day he was constantly in the news He played with and against the biggest stars the decade of the 1920s had to offer including Babe Ruth Lou Gehrig Walter Johnson Ty Cobb and twenty seven other ballplayers who would eventually wind up in the Baseball Hall of Fame In football he went up against the likes of Notre Dame's George Gipp the
