Striving for Justice Nat Glover,2023-08-22 On a sweltering day in August 1960 in the segregated Deep South city of Jacksonville Florida a seventeen year old Black boy finished his dishwashing job at Morrison s Cafeteria walked out the back door and found himself in the middle of a nightmare Hundreds of white men with ax handles and baseball bats were attacking Black sit in protestors in Hemming Park Suddenly surrounded the young man endured menacing blows and racist taunts He called for help from a white police officer standing nearby but no help came And he felt an unwarranted shame he determined never to feel again His name was Nat Glover Nat s life could have ended that day but instead the ordeal reinforced his plans to become a police officer His belief in a better world could have faded to cynicism but

instead it took root in his spirit His desire to overcome the poverty and racism of his youth could have given in to shame but instead Nat resolved to dedicate his life to honoring the dignity of all people Nat Glover went on to serve in law enforcement for thirty seven years became the first Black sheriff in Jacksonville Florida and the first Black sheriff in the state of Florida in over a hundred years post Reconstruction and chose again and again to do the right thing at the right time for the sake of justice compassion and truth In Striving for Justice Nat recounts his history making years in police reformation the values that fuel him as a leader and American citizen and what he believes will move this country forward toward hope and healing just as he once rose again against all odds

Outlive Peter Attia, MD, 2023-03-28 1 NEW YORK TIMES BESTSELLER OVER TWO MILLION COPIES SOLD A groundbreaking manifesto on living better and longer that challenges the conventional medical thinking on aging and reveals a new approach to preventing chronic disease and extending long term health from a visionary physician and leading longevity expert One of the most important books you ll ever read Steven D Levitt New York Times bestselling author of Freakonomics AN ECONOMIST AND BLOOMBERG BEST BOOK OF THE YEAR Wouldn t you like to live longer And better In this operating manual for longevity Dr Peter Attia draws on the latest science to deliver innovative nutritional interventions techniques for optimizing exercise and sleep and tools for addressing emotional and mental health For all its successes mainstream medicine has failed to make much progress against the diseases of aging that kill most people heart disease cancer Alzheimer s disease and type 2 diabetes Too often it intervenes with treatments too late to help prolonging lifespan at the expense of healthspan or quality of life Dr Attia believes we must replace this outdated framework with a personalized proactive strategy for longevity one where we take action now rather than waiting This is not biohacking it s science a well founded strategic and tactical approach to extending lifespan while also improving our physical cognitive and emotional health Dr Attia s aim is less to tell you what to do and more to help you learn how to think about long term health in order to create the best plan for you as an individual In Outlive readers will discover Why the cholesterol test at your annual physical doesn t tell you enough about your actual risk of dying from a heart attack That you may already suffer from an extremely common yet underdiagnosed liver condition that could be a precursor to the chronic diseases of aging Why exercise is the most potent pro longevity drug and how to begin training for the Centenarian Decathlon Why you should forget about diets and focus instead on nutritional biochemistry using technology and data to personalize your eating pattern Why striving for physical health and longevity but ignoring emotional health could be the ultimate curse of all Aging and longevity are far more malleable than we think our fate is not set in stone With the right roadmap you can plot a different path for your life one that lets you outlive your genes to make each decade better than the one before

Achievements and Accomplishments of African Americans Marian Olivia Heath Griffin, 2020-03-12 African Americans have played a definitive role in shaping the American traditions economics culture and beliefs It is becoming increasingly clear that thousands of black Americans have added much much to the growth and development of our country Despite the

persecutions and cruelty perpetrated on blacks over the years records show that they have accomplished much and have overcome incredible hardships with very little to sustain them but their determination courage and faith Of those African Americans not mentioned and remain anonymous we set out to acknowledge and honor them

Offstein, Jason M. Morwick, Scott W. Griffith, 2009-08-25 With its use of football stories Gridiron Leadership provides a fresh new approach to capturing and understanding the concepts and practice of leadership strategy and execution Gridiron Leadership Winning Strategies and Breakthrough Tactics uses real moments from the worlds of professional and college football as well as a wide range of evocative football metaphors to dissect the craft of leadership and communicate essential management lessons With so many leadership and strategy books sending the same messages in the same ways this fresh approach is truly groundbreaking using a familiar frame of reference to capture and understand the concepts and practice of leadership strategy and execution The language of sports is already common vernacular among today's successful leaders Gridiron Leadership uses the accessible recognizable terminology of sports in a thoughtful systematic way making the connection between the culture of football and the kinds of organizational and leadership situations encountered everyday It covers the full range of modern organizational issues including human resources crisis leadership ethical leadership strategic decision making and organizational change With topics covering everything from building a winning team to analyzing the needs of stakeholders this is the playbook today's leaders have been waiting for *A Piece of Chalk* Joe Dotoli, 2023-04-25 A true story of racial and economic disparity set in America's oldest public high school in the 1970s is still shockingly relevant today Boston's 1970s busing crisis is a critical moments in America's civil rights movement Championes as a solution to segregation in northern city schools forced busing became one of the most divisive and regrettable episodes in Boston's long and distinguished history What ensued was a firestorm of riots heavy handed police response political ping pong disenfranchised students and lawsuits Those who were on the ground teachers administrators and students recount these events with empathy and precision Joe Dotoli who at the time was a young science teacher at Boston English High School narrates the events with all the cultural richness of Boston during the 70s This was the oldest public high school in America with a prestigious history going back to the historic moment in 1821 when it was established as the first public secondary school in America It boasts alumni like J P Morgan Samuel P Langley and General Matthew Ridgway By the 70s it was the epicenter of desegregation and crumbling under the pressure Today this story isn't so much one of clear triumph as perseverance in a racial and economic struggle still making American headlines today What's Wrong With Trump? Michael N. Marcus, 2018-06-28 In 2016 like many millions of Americans I had voted for Hillary Clinton to become our 45th president And like many millions of Americans I assumed that there was no way that Donald Trump could beat her In 2008 Trump wrote I know Hillary and I think she'd make a great president During the 2016 presidential campaign he said She has to go to jail If it were not for our peculiar and archaic Electoral College plus last minute interference from FBI Director James Comey just when Clinton's favorable poll ratings were moving up and sabotage by Russia Clinton would have become president Trump frequently

boasted about his landslide victory In truth his electoral win was no landslide at all In the popular vote Clinton won by about 2 9 million votes a margin of 2 1% That s higher than the victories won by JFK George W Bush Nixon and other recent American presidents Jerome Kowalski an attorney who has known Trump for more than 30 years said Michael N Marcus s powerful book is nothing short of a detailed bill of particulars of the evil Trump presents and why his reign of terror must be stopped
