On the Clock: Detroit Red Wings Helene St. James, 2022-10-04 An insider history of the Detroit Red Wings at the NHL draft A singular transcendent talent can change the fortunes of a hockey team instantly Each year NHL teams approach the draft with this knowledge hoping that luck will be on their side and that their extensive scouting and analysis will pay off In On the Clock Detroit Red Wings Helene St James explores the fascinating rollercoaster history of the Red Wings at the draft including franchise legends like Steve Yzerman Sergei Fedorov and Pavel Datsyuk Readers will go behind the scenes with top decision makers as they evaluate deliberate and ultimately make the picks they hope will tip the fate of their franchise toward success From seemingly surefire first rounders to surprising late selections this is a must read for Red Wings faithful and hockey fans eager for a glimpse at how teams are built

Most Valuable Gare Joyce, 2019-10-29 1 National Bestseller This hockey generation s brightest talent has been plagued by concussions Now the very style of play that has brought Crosby such success may be heralding the end of his career Sidney Crosby is arguably the best player ever to put on skates You could argue that Bobby was better or Wayne or Gordie But it would be hard to argue that any of those guys changed the game as much as Sid No defenceman came along in Bobby s wake to play like him There will never be another 99 But in Crosby s case the entire league was re made in his image The game can be divided into two eras before and after Sidney Crosby arrived in 2005 breaking Mario Lemieux s rookie scoring record Says NHL star Matt Duchene who entered the league in 2008 just three years after Crosby Just in the time that I was going from peewee and bantam to junior there was a whole other game before and after You didn t have a choice really you had to adapt and adopt the way he did things or get left way behind In an effort to keep up with Sid the game changed It s faster now more skilled There are more highlight reel goals and fewer fights And in many ways Crosby has thrived Three Stanley Cups Two Olympic gold medals A World Cup And enough individual trophies to fill a truck But then if Crosby hadn t changed the league he might expect a longer career Today Sidney Crosby is the first generational superstar whose every shift could be his last He invented a faster game and the faster game has taken its toll on its creator Crosby has suffered several concussions and missed most of an entire season with symptoms He plays the game fearlessly but he also plays it without a bodyguard The irony is that he created a league that made it harder for him to thrive And the tragedy may be that he has created a league that will bring his career to an end in one fell swoop in front of millions Telling the story of a generational talent and the way he has revolutionized the game Gare Joyce will also bring into focus

Mooney, MD, MPH, FACS, 2014-12-12 Highly Commended BMA Medical Book Awards 2015 In 2008 Paul Farmer and Jim Yong Kim described global surgery as the neglected stepchild of healthcare and now leaders from around the world are working to redefine it as a human right through the Lancet Commission on Global Surgery In order to help advance global surgery and anesthesia as a public **Guardians of the Goal** George Grimm, 2019-10-01 A history of Rangers goalies through the ages New York Rangers fans have always loved their goaltenders and throughout their history the Blueshirts have been blessed with some of the very best in the game

Through the first nine plus decades of their existence eighty eight men from Canada the United States and Europe have toiled between the pipes at Madison Square Garden They all shared the same responsibility yet each brought their own style personality character and idiosyncrasies to the position and provided unique memories for those of us who watched them In Guardians of the Goal each one of these brave men is discussed in chronological order while providing an overview of their era and the general managers and coaches they played for Such players highlighted in this book include Mike Richter Ed Giacomin John Vanbiesbrouck Henrik Lundqvist Davey Kerr And many more Regardless of whether they were a franchise goalie a flash in the pan or an emergency fill in each of these Lone Rangers or as Steve Baker once called them The few the proud and the very busy have one thing in common they all tried their best to keep that little one inch by three inch piece of frozen vulcanized rubber out of the gaping twenty four square foot chasm behind them Some were more successful than others but as you will see although they may occasionally steal a game in most cases a goaltender is only as good as the team in front of him Guardians of the Goal is just that an ode to those Blueshirts who laid it out night in and night out leaving it all out on the ice for our Rangers

1972 Scott Morrison,2022-05-03 1 BESTSELLER The legacy of the greatest hockey series ever played fifty years later with stories from the players that shed new light on those incredible games and times Cournoyer has it on that wing Here s a shot Henderson made a wild stab for it and fell Here s another shot Right in front they score Henderson has scored for Canada These immortal words spoken to hockey fans around the world by the legendary broadcaster Foster Hewitt capture the historic final seconds goal scored by Paul Henderson that won the 1972 Summit Series against the Soviet Union Hockey fans know the moment well but the story of those amazing eight games has never been fully told until now The series was the first of its kind and one of the most dramatic sporting showdowns in history With the Soviets dominating international hockey this series was meant to settle the debate once and for all of who owned the game It was Canada s best against the Soviets for the first time And in the shadow of the Cold War this was about more than eight games of hockey Expectations were high as the series began This was supposed to be easy for Team Canada but after the disappointing first four games on home ice with only one win victory seemed out of reach With the final four games in Moscow Canada got a rare glimpse behind the iron curtain as the team as well as three thousand raucous fans arrived in the USSR Amid the culture shock and strained relations what followed was a tug of war battle that lasted to the dying seconds of game 8 Now five decades after this historic event it s time to reflect on the greatest hockey series ever played Veteran journalist and hockey analyst Scott Morrison uses a storyteller s voice to reveal what it meant to hockey then and what it means now Filled with the memories of the players and others involved with the series he shows how it changed the game and challenged a nation s sense of identity and place in the world
