Africh,2025-03-25 Cello's Gate truly was the wickedly wild and uniquely imaginative adventure I didn't know I needed in my life. It's epic yet intimate, dark yet light, hearted playful yet emotional, and it's got a fun factor that just soars higher than the sky. Ghandammit frens, this is how you write one hell of a debut. Esmay Rosalyne Grimdark Magazine. My absolute favorite book of the year. Africh is a lyrical wordsmith, a poet who can turn a phrase into a strand of gold. Phoenix McDonald. Author of The Talent Continuum. From the start, this book gripped me. Jonathan Neves Mayers. Author of Vevin Song. A really excellent, well-written adventure. Aaron Sher. Author of Applied Leverage. I swear I've been WAITING for someone to write this book. Ash Readers Quadrant Art. Imaginative and immersive. April. April's Shelf. Captain Grey and his crew of sky pirates have a reputation for doing the impossible. From breaking into high security military research facilities to conning the iCity elite, there isn't a lock they can't pick, a safe they can't break, or a hidden treasure they can't find. Until now. Returning from a harrowing heist involving a neon battery and a trash chute, Grey and his crew are approached by Dalia, the immortal daughter of the infamous ArchGovernor, and she has an offer. The job: Locate and steal the Stones of Indigo, seven fabled rocks invested with godlike power. The search for the first stone is a bona fide treasure hunt guided by an ancient map to a deadly uncharted island that's protected by a mysterious guardian. The score: One million credits per crew member per stone. The catch: Well, that's where things get a little complicated. The stones don't exist. They're a myth, a bedtime story told to little pirates to make them believe that power and wealth are attainable if you just work hard enough. And to make matters infinitely worse, Grey's never trusted immortals, and Dalia's definitely hiding something. Something bad. And if they don't figure out what it is, it might cost them their lives. **ONE CREW OF SKY PIRATES SEVEN MYTHOLOGICAL STONES A RACE TO FIND THEM ALL Her Alien Starbreaker** Sky Robert,2025-04-25 There's a threat to the Trillume Universe, and the cure may just be the beginning of the end. Commander Yueril of the Galactic Authority was on a mission that he never expected to return from, all in the name of protecting the universe against the Solungors, an invasive species destroying every planet they touch. Though when he arrives at the outlaw planet Delta Fal, he comes across someone he least expected to meet: a mate that makes his instincts scream to protect her, but she may just be the one protecting him. Hazel is snatched from her home planet Estreldez by the Krelis horde that seeks to invade her planet, but when she arrives to be sold off to slavers, one takes pity on her and sneaks her off ship, only to find herself trapped on an outlaw planet with no one willing to help her. Now that she holds the mark of the Birds of Zorn, for those of you monster fudgers that love something different and like your aliens more alien than human, this spicy romance is for you. The Trill are a reptilian species with sharp teeth, scales, fancy peens, and exceptionally playful tails. There's a bit of a breeding kink, but there is no oops. I'm preggers, none of that. In these pages, fated mates, mating marks, biting tail play, knotting, and even a bit of exhibitionism. All the fun stuff. This is a standalone alien romance with 4 full spicy scenes that will have you curling your toes and a fascinating universe that unravels the more books you read in the Trillume Universe. No, you do not have to read any other book before reading this one. In fact, this book takes place before every other

book written in the universe so far

Writers' Handbook 2026 J. Paul Dyson, 2025-07-10 The 2026 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents book publishers or magazines. It contains over 1 400 listings including revised and updated listings from the 2025 edition and over 200 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 5 000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 950. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance Fantasy Romance Supernatural Paranormal Romance Contemporary Romance Diverse Romance Erotic Romance Feminist Romance Christian Romance or even Amish Romance. The new edition includes Over 600 literary agents and agencies Over 350 magazines and Over 400 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents publishers and magazines accepting submissions online this international outlook is now more important than ever. There are no adverts no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers contact details for literary agents publishers and magazines this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2027. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches daily email updates feedback from users about the markets featured saved searches competitions listings searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts advice and encouragement to aspiring writers. I've been recommending it for years now.
