African American men make up the majority of America's prison population. Half of the American population are poor or near poor, living precariously on the brink while the top one percent own as much as the bottom eighty. Government police state spying on its citizens is pervasive. Consequently, as former President Jimmy Carter has said, we have no functioning democracy. Imagine Living In a Socialist U S A edited by Francis Goldin, Debby Smith and Michael Steven Smith is at once an indictment of American capitalism as the root cause of our spreading dystopia and a cri de coeur for what life could be like in the United States if we had economic as well as a real political democracy. This anthology features essays by revolutionary thinkers, activists and artists including Academy Award winning filmmaker Michael Moore, civil rights activist Angela Davis, incarcerated journalist Mumia Abu Jamal and economist Rick Wolff addressing various aspects of a new society and crucially how to get from where we are now to where we want to be living in a society that is truly fair and just.
