Research Handbook on University Rankings Hazelkorn, Ellen, Mihut, Georgiana, 2021-12-10 Gathering unique and thoughtful contributions from leading international scholars this timely Research Handbook offers diverse perspectives on university rankings twenty years after the first global rankings emerged It presents an in depth analysis that reflects the current state of research on rankings their influence and impact **It's Not What You Sell, It's What You Stand For** Roy M. Spence Jr., 2009-02-05 Who is Roy Spence and what makes him the Pied Piper of Purpose Over the last thirty five years Roy Spence has helped organizations such as Southwest Airlines BMW the University of Texas Walmart the Clinton Global Initiative and many others achieve greatness by getting them to obsess about one big idea purpose With purpose as the North Star employee engagement is higher competition is less threatening customers are more loyal and innovation flows It s the secret to developing a more fulfilling work life as well as a healthier bottom line Simply put purpose is a definitive statement about the difference you are trying to make in the world As Spence writes It s your reason for being that goes beyond making money and it almost always results in making more money than you ever thought possible It s not soft stuff as some might scoff Especially during times of great economic uncertainty purpose is the key to creating and maintaining a high performing organization It deserves just as much attention as strategy execution and innovation A real purpose can t just be words on a piece of paper It has to get under the skin of every member of your organization like Southwest s purpose of democratizing the skies or Walmart s of saving people money so they can live better If you get it right your people will feel great about what they re doing clear about their goals and excited to get to work every morning No organization is too big or too small too niche or too mundane to benefit from a clearly defined purpose Spence and coauthor Haley Rushing share their insider insights and case studies to help you discover your organization s purpose proclaim it to the world and apply it to everything you do This book will force you to address some tough and profound questions What difference do we want to make in the world What do we really stand for Do we have purpose based leaders in key roles Do our employees feel like what they do matters Would our customers miss us if we ceased to exist Do we bring our purpose to life everywhere we can both internally and externally Spence s hard won lessons will change the way you view your job your business model your leadership style and your marketing They will help you make money make a difference and with a little luck make history
