Dear Ashley,

Two months ago, I hit a goal I never thought I'd reach. I pushed SEO traffic to 20 million monthly views.

One year ago, traffic for our four sites -- all of which I manage through a team of 25 employees -- rested at just 4 million per month. Upper management challenged me to lead the team toward doubling our traffic. We hit that goal in just six months, blowing away our sales revenue forecasts in the process.

With over seven years experience in internet and social media marketing, and as someone who is passionate about staying on the leading edge of tech, I'm confident I can repeat that growth as your new Marketing Manager. In my current position, I successfully lead creative strategy and internal development teams. Specifically, I have:

- Skyrocketed Inbound Marketing ROI by 43%.
- Reduced Cost Per Lead by 35%.
- Boosted Landing Page Conversion Rates by 55%.

I'm adept at reading Google and user search intent, then translating that to measurable returns. Can we schedule a call to discuss ideas for growing your revenue by 25% in 2018?

Thank you for your time. I look forward to hearing from you.

nobody knows about In fact the International Women s Year IWY Conference was America s most democratic representative and inclusive congress of citizens in our history Conference delegates had been elected by 150 000 women at open meetings in every state and territory where they discussed the range of barriers to women s full equality debated solutions and proposed remedies Anti feminists also had their say Despite heated disagreements over issues such as the ERA abortion lesbian rights child care and other hot topics of the day the Houston delegates united to approve a National Plan of Action to achieve full equality for all women To celebrate the 40th anniversary of that unique gathering the high water mark of the Second Wave of American feminism Shelah Leader and Pat Hyatt draw on their personal files and notes from their days on the staff of the IWY National Commission to share their behind the scenes account of how a very diverse group of Republican and Democratic feminists achieved consensus in the face of determined opposition from political and religious conservatives Since that landmark event there has been marked progress in many aspects of women s lives but a number of key goals in the IWY Plan of Action remain unfulfilled As American politics and popular culture have grown more polarized sexist and toxic it became clear to Leader and Hyatt that they were compelled to share their eyewitness story of American Women on the Move The book s final chapter assesses what strides have been made what s yet undone and lessons learned Bylines
