An instant between mirrors Andrei R,2017-07-29 All the stories in the world either love ones or drama have something in common they are not real Their existence is determined from the very first by the witness's perspective To live something you'll have to understand first that's why there will be always an instant delay The real time is based on memories Therefore the genuine event will suffer subjective changes This fact is not making the stories less true because on a way or another they happened indeed Once your memories go older will change the facts over and over again thus you are creating limitless stories which happened as well with another you In a word you are growing infinite realities and every each of you is choosing to follow a string like an instant between mirrors **Bullet-Proof Love** Lloyd Pate II,2014-07-21 Hey somebody

stop him yelled a civilian involved in the accident Caine broke into a sprint and like the classic video game Frogger he darted across traffic on Academy Boulevard As he maneuvered through parked cars in a shopping center other civilians he passed appeared bewildered and alarmed but Caine was more scared and confused than them all After zig zagging across another street he sprinted through an undeveloped space half the size of a foot ball field In some places the weeds and wild grains climbed to his waist He heard approaching police sirens and crouched down becoming swallowed within them It was slightly cool in the near summer weather and with his body clammy and wound up from the adrenalin flowing in his blood stream the slightest breeze nipped at his skin **Scientific Canadian Mechanics' Magazine and Patent Office Record** Canada.
