The Healthy Habit Handbook Loz Antonenko, 2020-02-28 With good intentions you may have bought activewear and started a gym membership only to discover months later that you've hardly used either. Or you may have started a diet, tried meditation, and even flogged yourself with exercise only to find that you didn't get the results you wanted. In this handbook to healthy habits, she shares how she conquered her deepest fears, built up her self-esteem, and failed forward on her way to success.
