Still Reading Romance Josefina Smith, Kathleen W. Taylor Kollman, 2025-04-01

In a world that commodifies feminism, is adapting romance novels for small and big screen projects, and the Romance Writers Association is evolving to a more inclusive representative group, it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction and potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of *Bridgerton* and romance series like *Ice Planet Barbarians* exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element, and to do so creates an exciting opportunity to create a more inclusive study of popular romance, offer truly interdisciplinary research on the question of how readers read romance, and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.

A USA Today Bestseller. In its heyday, Piney Peaks and its beloved Christmas house were made famous by *Sleighbells under Starlight*, a romantic holiday movie. Fifty years later, the small town is ready for a new love story. As a successful film liaison, Elisha Rowe has her heart set on one thing, and one thing only: putting her hometown back on the map. So when she gets the chance to secure the long-hoped-for sequel to *Sleighbells under Starlight*, a beloved holiday movie, she's willing to do whatever it takes to make sure everything goes smoothly. Unfortunately, that includes claiming to have already gotten permission to film at the historic Christmas house, permission she was very much denied by the gorgeous new owner. City boy Ves Hollins is only back in Piney Peaks long enough to sell the house he inherited from his great aunt. The

holidays have always been tough for Ves and it's not any easier when he's distracted by memories of a Christmas long long ago and the irresistible charm of neighbor Elisha. He has no plans to put down roots or fall in love even if Elisha unravels his hesitations like a bad Christmas sweater. There's no question the two are opposites in every way. Ves is undeniably frosty. Elisha is brimming with warmth. He doesn't do commitment. She never runs from a challenge. But as the two grow closer they quickly realize that the growing spark between them may be just what the season calls for. Praldia Ebony

Olson, 2024-05-20 Princess Zira Sallee's family was massacred at fourteen by the barbarian who now rules her planet. Zira has hidden with her kin for nine years in Praldia, enjoying the Cyran and Praldian life. But her parents were just executed for high treason and now it is Zira's turn to go before Prince Luther Saboa, heir to Cyra and the ruler of Praldia. Expecting to be killed like her parents, Zira is surprised to learn that is not her fate. When Zira's parents were executed, Zira, having not reached wisdom yet, instantly became the property of the throne along with the rest of her family's land and belongings. Cyrans train for years to control their inner chaos, but Luther's desires have been years in the making and now that they are within his grasp, he won't let them go. As Zira's official state guardian, Luther means to take full control of the exiled Avalonian princess even if it takes him to war. **Fashion and Fetishism** David Kunzle, 2006-08-24 Presenting the history of corsetry and body sculpture, this edition shows how the relationship between fashion and sex is closely bound up with sexual self-expression. It demonstrates how the use of the corset rejected the role of the passive maternal woman so that in Victorian times it was seen as a scandalous threat to the social order. **CNN** 2025 2 **No.293** LiveABC
