THE MYSTERIOUS TREASURE

MYSTERY COMPREHENSION PASSAGES

Leo and Abby found a chest full of something hard and hollow. He had been getting ready to plant a tree for World Tree Day. However, his plans quickly changed when he realized something was buried in the backyard. Thinking he brushed the dirt away to see what he had hit. It was some sort of chest.

"What?" he called to his sister. "Come look at this!"

Abby walked outside, the green grass looking her bare feet. "What did you interrupt my book for?" she asked.

"I think I found something," he said, concentrating on digging more of the dirt away.

Leo and Abby worked hard until they had unearthed the chest. It was so heavy they could barely pull it up onto the grass! Now, let's open it! announced Leo, his eyes sparkling.

The siblings brushed off the chest and took a closer look at it. "Where, but where does it open?" asked Abby. They couldn't find any sign of a lid or lock or anything! It was a solid wooden chest, which Abby and Leo found odd.

"Is it just solid wood? Is there even anything inside?" wondered Leo, running his hands all over the box, searching for clues that might help them figure out how to open the chest. "It's probably some sort of trick to help keep what's in the treasure chest safe," Abby said.
