Art After Instagram Lachlan MacDowall, Kylie Budge, 2021-12-30 This book explores the effects of the Instagram platform on the making and viewing of art Authors Lachlan MacDowall and Kylie Budge critically analyse the ways Instagram has influenced artists art spaces art institutions and art audiences and ultimately contemporary aesthetic experience The book argues that more than simply being a container for digital photography the architecture of Instagram represents a new relationship to the image and to visual experience a way of shaping ocular habits and social relations Following a detailed analysis of the structure of Instagram the tactile world of affiliation follows aesthetics likes and attention comments the book examines how art spaces audiences and aesthetics are key to understanding its rise The book will be of interest to scholars working in art history design digital culture cultural studies sociology education business media and communication studies

The SAGE Encyclopedia of Economics and Society Frederick F. Wherry, Juliet B. Schor, Consulting Editor, 2015-09-01 Economics is the nexus and engine that runs society affecting societal well being raising standards of living when economies prosper or lowering citizens through class structures when economies perform poorly Our society only has to witness the booms and busts of the past decade to see how economics profoundly affects the cores of societies around the world From a household budget to international trade economics ranges from the micro to the macro level It relates to a breadth of social science disciplines that help describe the content of the proposed encyclopedia which will explicitly approach economics through varied disciplinary lenses Although there are encyclopedias of covering economics

especially classic economic theory and history the SAGE Encyclopedia of Economics and Society emphasizes the contemporary world contemporary issues and society Features 4 volumes with approximately 800 signed articles ranging from 1 000 to 5 000 words each are presented in a choice of print or electronic editions Organized A to Z with a thematic Reader s Guide in the front matter groups related entries Articles conclude with References Future Readings to guide students to the next step on their research journeys Cross references between and among articles combine with a thorough Index and the Reader s Guide to enhance search and browse in the electronic version Pedagogical elements include a Chronology of Economics and Society Resource Guide and Glossary This academic multi author reference work will serve as a general non technical resource for students and researchers within social science programs who seek to better understand economics through a contemporary lens
