Errors and Fouls: Inside Baseball's Ninety-Nie Most Popular Myths Peter Handrinos,2014-06-30 Most baseball traditions are wonderful But not all of them The games most basic elements have often been misrepresented misunderstood and misremembered through the years All along fiction has coexisted with fact hyperbole has mixed with history and exaggeration has been mistaken for explanation Meanwhile baseballs yen for tradition has left many fans and even baseball commentators unduly attached to stale ways of thinking Peter Handrinos breaks from the past and provides an entertaining antidote to its outmoded ideas and excessive nostalgia Billboard ,2011-10-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Curveball Barry Zito,Robert Noland,2019-09-17 The painfully honest and personal story of one of baseball s most intriguing players In Curveball Zito shares his story with honesty and transparency The ups and the downs The wins and losses By sharing his experiences as a man who had everything except happiness Zito offers readers a path through adversity and toward a life defined by true success Despite achieving the kind of fame and fortune that most people only dream about Barry Zito was plagued by both internal forces and external circumstances that robbed him of any sense of peace until he finally found a purpose worth living for Barry explores the twists and turns of his own journey including his dad s constant push and pursuit for excellence which translated into a toxic father son relationship how achieving superstardom in the major leagues created crippling fear the personal destruction brought on by fame and fortune and the disastrous seasons with the San Francisco Giants including being benched for the 2010 playoffs and World Series Zito comes face to face with the destructiveness of his own ego his need to be viewed as the best He also comes face to face with God and with the truth that he was loved no matter what he achieved

Will Big League Baseball Survive? Lincoln Mitchell,2017 Major League Baseball is a beloved American institution that has been a product of the economic social and media structures that have evolved in the United States over the last century In his shrewd analysis Will Big League Baseball Survive Lincoln Mitchell asks whether the sport will continue in its current form as a huge lucrative global business that offers a monopoly in North America and whether those structures are sustainable Mitchell places baseball in the context of the larger evolving American and global entertainment sector He examines how both changes directly related to baseball including youth sports and the increased globalization of the game as well as broader societal trends such as developments in media consumption and celebrity culture will impact big league baseball over the next few decades His book ultimately proposes several possible scenarios for what big league baseball might look like Will it become more global smaller or remain the same or will it transform into some kind of hybrid of the
