One of Six Lexi Buchanan, 2024-11-18 Six brothers Six heartbreakers Six Den Hollows Essex Redd the youngest of six brothers at the age of nineteen My father was murdered four years ago and we know who did it What we don t know is why Things get complicated when I fall in love with the killer s daughter As the truth begins to unravel I realize that Bea and my family are in more danger than anyone thought My name is Beatrice Alexandria Lincoln I prefer to be called Bea I live in the town of Mount Sterling which is known for its old fashioned charm and Southern hospitality and residents like my parents keep those traditions alive I long for a life of my own choosing When my mother dies suddenly my eyes are opened to the

harsh reality of what it truly means to be a Lincoln My father has no idea what I will do to protect the people I love **Hero**
Ever After Kait Nolan, 2025-08-22 I never meant to be anyone's heroine Not when I became the acting mayor of my
hometown after the flood Not when I kept my law practice afloat out of a booth in my grandmother's diner And definitely not
when my secret romantasy novels went viral Nobody in Gibson Hollow knows I'm the author behind the pen name And
nobody was supposed to kiss me at that book convention least of all my brother's best friend cosplaying the hero he doesn't
know I modeled after him Now Ramsey Shaw is back in town Volunteering Smiling at me like I'm not on the verge of
shattering Like he remembers the kiss Like he sees the truth I've spent my whole life being strong Quiet In control But for
the first time I don't want to be any of those things I just want to be his In a town held together by hope and heart it's the
people who show up that make it shine **The Global ISBN Handbook** Azhar ul Haque Sario, 2025-10-30 Have you ever
wondered why that 13 digit number on the back of a book costs 125 in the United States but is completely free in Canada and
India This book The Global ISBN Handbook is your 2025 guide to the International Standard Book Number It explains
everything about this global fingerprint for books The ISBN is the most important cornerstone of the publishing industry It
started as a simple warehouse tool in the 1960s Now it is a complex digital identifier used in over 200 countries This
handbook deconstructs the entire system It uses 15 distinct national case studies to do this You will learn how the old 10
digit system changed to the new 13 digit one We break down the five parts of the ISBN from the Bookland prefix to the final
check digit The book explores the global governance framework starting with the International ISBN Agency Then it dives
deep into how different countries run their systems You'll see the privatized high cost model in the United States You'll
compare it to Canada's free government run system We explore the industry led models in Brazil and Germany We look at
government run systems in Mexico and India We even cover the unique case of China where the ISBN is not a simple
identifier but a state controlled publication license The book also examines the systems in the UK France Russia Japan
Australia South Africa Nigeria and Egypt Many books and websites can tell you how to get an ISBN This handbook is the only
resource that explains why the process is so different everywhere you look It moves beyond a simple how to and provides a
true global analysis It directly compares the privatized for profit models in the US and UK against the free public good
systems in Canada and South Africa You won't just learn the price you will understand the cultural policies market structures
and legal philosophies that shape that price This book shows how the ISBN is a global mirror It reveals how a simple number
can be a commercial product in one nation a tool of cultural policy in another and an instrument of state control in a third
This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex
international publishing market Disclaimer This handbook is an independently produced resource for commentary and
analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the
National Press and Publication Administration or any other national ISBN agency This work is independently produced under
