[Rules on Digital Trade in the Light of World Trade Organization Agreements](#) Asif Khan,2023-12-14 Doctoral Thesis Dissertation from the year 2023 in the subject Business economics Trade and Distribution language English abstract This doctoral dissertation deals with rules on digital trade in the light of WTO agreements Digital trade has brought about profound changes in the international trade framework Traditional trade which primarily involved the exchange of physical goods has now expanded to encompass a wide range of digitally delivered services online transactions and data flows This transformation has been driven by advancements in technology and the increasing interconnectedness of the global economy The digital economy encompasses various digital technologies and platforms and has become a significant driver of economic growth and innovation It allows businesses to reach international markets more quickly and efficiently transcending geographical barriers The internet mobile devices cloud

computing and artificial intelligence have facilitated this digital transformation. These technologies enable seamless communication, data storage and processing automation, and personalised services, revolutionising how businesses operate and engage in international trade. Digital trade has created new opportunities for businesses of all sizes. Small and medium-sized enterprises have benefited from the ability to access global markets through digital platforms and e-commerce. These platforms provide a means for Small and medium-sized enterprises to connect with potential customers worldwide, establish their presence, and market their products and services without needing a physical presence in foreign markets. This has lowered entry barriers and empowered Small and medium-sized enterprises to participate in global value chains, expanding their reach and contributing to economic growth. One of the notable developments in the digital trade era is the rise of platform-based businesses. These platforms, such as e-commerce marketplaces, ride-sharing services, and online payment systems, act as intermediaries connecting buyers and sellers across borders. They facilitate transactions, provide infrastructure and services, and enable businesses to expand their customer base globally. Platforms have become influential players in international trade, shaping market dynamics and redefining traditional trading systems.

EBOOK: Principles and Practices of Marketing 10/e JOBBER AND ELLI, 2023-02-21 EBOOK Principles and Practices of Marketing 10/e

Consumer Behaviour and Analytics Andrew Smith, 2023-11-08 The second edition of *Consumer Behaviour and Analytics* provides a consumer behaviour textbook for the new marketing reality. In a world of Big Data, machine learning, and artificial intelligence, this key text reviews the issues, research, and concepts essential for navigating this new terrain. It demonstrates how we can use data-driven insight and merge this with insight from extant research to inform knowledge-driven decision making. Adopting a practical and managerial lens while also exploring the rich lineage of academic consumer research, this textbook approaches its subject from a refreshing and original standpoint. It contains numerous accessible examples, scenarios, and exhibits and condenses the disparate array of relevant work into a workable, coherent, synthesized, and readable whole. Providing an effective tour of the concepts and ideas most relevant in the age of analytics-driven marketing, from data visualization to semiotics, the book concludes with an adaptive structure to inform managerial decision making. *Consumer Behaviour and Analytics* provides a unique distillation from a vast array of social and behavioural research, merged with the knowledge potential of digital insight. It offers an effective and efficient summary for undergraduate, postgraduate, or executive courses in consumer behaviour and marketing analytics and also functions as a supplementary text for other marketing modules. Online resources include PowerPoint slides.
