Travel log in Western USA by Safari Condo Robert Rooke,2014-05-01 This immense territory that would take many days to cross had become a promise of surprises and wonders for us together with the astonishing diversity of the countryside and climate We deliberately chose to make it a trip to explore nature and not to travel conventionally We opted to visit canyons trees lakes and places where nature displays its beauty and its strangeness We wanted to see sights that nature generously promises us like the burning deserts of Arizona the striking sculptures of the different canyons in Colorado the rugged Pacific Ocean coast in California and Oregon And finally the American National Parks as well as the parks of the different States promised us numerous possible excursions That is what we have realized during this voyage and that we simply offer you with our best pictures Bon voyage **Annual Report** Ohio.
