In our digital world we are confused by privacy what is public what is private We are also challenged by it the conditions of privacy so uncertain we become unsure about our rights to it We may choose to share personal information but often do so on the assumption that it won't be re-shared sold or passed on to other parties without our knowing In the eighteenth century philosopher Jeremy Bentham wrote about a new model for a prison called a Panopticon where inmates surrounded the jailers always under watch Have we built ourselves a digital Panopticon Are we the guards or the prisoners captive or free Can we be both When Kim Kardashian makes the minutiae of her life available online which is she With great rigour this important book draws on a Kantian philosophy of ethics and legal frameworks to examine where we are and to suggest steps conceptual and practical to ensure the future is not dystopian Privacy is one of the defining issues of our time this lively book explains why this is so and the ways in which we might protect it The Battle for Your Brain Nita A. The Love Contract Steph Vizard, 2023-09-01 Can she pretend to love her neighbour? An award-winning modern rom-com for all fans of fake dating, enemies-to-lovers stories. I didn't know the guy next door. And given he was now my daughter's nanny and my fake boyfriend, I needed to find out. Single mum Zoe had the parenting thing all figured out with little Hazel until a childcare drought derailed her plans to return to work. Enter Will, Zoe's nemesis and frustratingly handsome neighbour. When Will's boss mistakenly assumes Will is Hazel's father and insists he take parental leave, it seems like a simple white lie could get Zoe out of a jam and help Will to make partner at his law firm. But life with an adorable toddler and a growing attraction between Will and Zoe is never as tidy as their agreement's bullet points and dry clauses suggest. As they get deeper into the lie, the lines between truth and fiction blur. But Zoe's hiding a secret and when it comes out, the consequences for all of them could be devastating. A witty, warm page-turner about love, friendship, and the glorious chaos of new motherhood. We're officially Steph Vizard's biggest fans. Ali Berg and Michelle Kalus. *The Book Ninja*.
