changes in team members and little to show for their work nothing more was heard of Facebook's progress until February 2012 when Business Insider magazine reported new product boss Dirk Stoop was working on a new solution to the problem Zuckerberg was reported in the New York Times piece With Instagram Deal Facebook Shows its Worth as saying We don't plan on doing many more of these if any at all but providing the best photo sharing experience is one reason why so many people love Facebook and we knew it would be worth bringing these two companies together It is safe to assume that Facebook's own product was not working out as hoped leading Zuckerberg to buy the best photo sharing experience instead of developing it In addition to examining details of the acquisition there are broader issues to address How can businesses use Instagram and Facebook to build their own brands What does this deal say about Facebook's predictions for the mobility market and photo sharing platforms While Zuckerberg's official statement is that Instagram will continue operating as a separate platform from Facebook and that people who have Instagram but aren't on Facebook can continue using their favorite app how will Instagram change now that it is owned by Facebook In this book we will address these questions and review a quick history of Instagram We'll examine the events of Easter weekend that led to the Instagram buyout and get a glimpse into the fast moving world of high tech business and multi billion dollar companies EXCERPT FROM THE BOOK Mark Zuckerberg and Facebook paid 1 billion for a business that doesn't have any revenue Why In a nutshell Facebook purchased Instagram to take custody of its users before Facebook competitors did to strengthen its position in the mobile phone market and to get rid of a potentially difficult competitor As people in the tech world often say money follows the users The recent availability of Instagram for Android users had Zuckerberg concerned especially when the Instagram user population jumped by 10 million people in 10 days buy the book to continue reading **Social Media Marketing** Alex U Bright, 2019-05-09 This book brings a quick paced and basic learning way to deal with computerized advertisers hoping to become familiar with social publicizing Regardless of whether you're new to Facebook promotions and Instagram advertisements or a specialist at advanced showcasing and paid social you'll find how to choose the right goal focus on your ideal group of onlookers and make promotions that make an association with your gathering of people The Complete Guide to Facebook Advertising spreads such points as How to set up your Business Manager Facebook and Instagram accounts How to make your advertisement battles on Ads Manager How to make diverse promotion organizations for example Instant Experience and Dynamic Product Ads How to make showcasing channels the right target group of onlookers and effective promotion creatives How to peruse Facebook If you need to develop in Media Marketing at that point look up and click the Add to truck button reports and pick the correct offering type **Social Media Marketing** Donald Jason, 2019-08-04 This book brings a brisk paced and essential adapting approach to manage electronic promoters planning to get comfortable with social publicizing Despite whether you're new to Facebook advancements and Instagram commercials or an expert at cutting edge exhibiting and paid social you'll discover how to pick the correct objective center around your optimal gathering of
