Social Media Management Amy Van Looy, 2022-05-03 This is the second edition of the undergraduate textbook Social Media Management which extends the original edition's scope beyond the business angle The textbook continues with the perspective of organizations not individuals and clarifies the impact of social media on their different departments or disciplines while also exploring how organizations use social media to create business value To do so the book pursues a uniquely multi disciplinary approach by embracing IT marketing HR and many other fields While the first edition was inspired by the rise of social media tools the second edition is characterized by a digital economy with increasing digitalization efforts due to newly emerging technologies in Industry 4.0 and the COVID 19 pandemic Readers will benefit from a comprehensive selection of extended topics including strategies and business models for social media influencer marketing viral campaigns social CRM employer branding e recruitment search engine optimization social mining sentiment analysis crowdfunding and legal and ethical issues Each chapter starts with one or more teaser questions to arouse the readers interest which will be clarified per topic The second edition also provides ample self test materials and reflection exercises

Digital Dieting Tara Brabazon, 2016-04-22 Imagine if a student spent as much time managing information as celebrities doted on dieting While eating too much food may be the basis of a moral panic about obesity excessive information is rarely discussed as a crisis of a similar scale Obviously plentiful and high quality food is not a problem if eating is balanced with exercise But without the skills of media and information literacy students and citizens wade through low quality online information that fills their day yet does not enable intellectual challenge imagination and questioning Digital Dieting From Information Obesity to Intellectual Fitness probes the social political and academic difficulties in managing

large quantities of low quality information But this book does not diagnose a crisis Instead Digital Dieting provides strategies to develop intellectual fitness that sorts the important from the irrelevant and the remarkable from the banal In April 2010 and for the first time Facebook received more independent visitors than Google Increasingly there is a desire to share rather than search But what is the impact of such a change on higher education If students complain that the reading is too hard then one response is to make it easier If students complain that assignments are too difficult then one way to manage this challenge is to make the assignments simpler Both are passive responses that damage the calibre of education and universities in the long term Digital Dieting From Information Obesity to Intellectual Fitness provides active conscious careful and applicable strategies to move students and citizens from searching to researching sharing to thinking and shopping to reading

Dancing Indigenous Worlds Jacqueline Shea Murphy, 2023-01-10 The vital role of dance in enacting the embodied experiences of Indigenous peoples In *Dancing Indigenous Worlds* Jacqueline Shea Murphy brings contemporary Indigenous dance makers into the spotlight putting critical dance studies and Indigenous studies in conversation with one another in fresh and exciting new ways Exploring Indigenous dance from North America and Aotearoa New Zealand she shows how dance artists communicate Indigenous ways of being as well as generate a political force engaging Indigenous understandings and histories Following specific dance works over time Shea Murphy interweaves analysis personal narrative and written contributions from multiple dance artists demonstrating dance's crucial work in asserting and enacting Indigenous worldviews and the embodied experiences of Indigenous peoples As Shea Murphy asserts these dance making practices can not only disrupt the structures that European colonization feeds upon and strives to maintain but they can also recalibrate contemporary dance Based on more than twenty years of relationship building and research Shea Murphy's work contributes to growing and largely underreported discourses on decolonizing dance studies and the geopolitical gendered racial and relational meanings that dance theorizes and negotiates She also includes discussions about the ethics of writing about Indigenous knowledge and peoples as a non Indigenous scholar and models approaches for doing so within structures of ongoing reciprocal respectful responsible action

Media Freedom and the Law András Koltay, 2024-08-01 The main objectives of media regulation in Europe are to protect media freedom to ensure the social responsibility of the media and to prevent harm caused by speech published through the media This book examines the way in which these are reflected in European legal regimes and jurisprudence at the supranational regional and national levels It addresses the theoretical considerations behind the protection and restriction of media freedom It starts from the assumption that there is a common European ideal of media freedom as a human right Apart from EU law and in many cases similar national regulations many common points can be identified across Europe in the theoretical underpinnings of this right and the history of struggles for this freedom in different European countries also shows common features While the focus is on media freedom in Europe the work also discusses the uniquely distinct concept of freedom of expression and of

the media that is prevalent in the US the principles of which have a significant impact in Europe The book uses a comparative method in part as it attempts to outline the common regulatory framework for the idea of media freedom on a European scale The reference to national laws and court decisions is intended to illustrate this picture looking primarily at what binds European states together The work will be a valuable resource for those working in the areas of public law media law media studies comparative law international human rights law and legal philosophy **Returned Holli**
