normal changes He became interested in the idea of a party On its way Halloween a one of a kind event was coming up Max was interested because his friends and people on the air had been talking about this wonderful event He had never been to a Halloween party or done anything scary on Halloween before Max was interested in the accounts of beautiful costumes glowing pumpkin lanterns and tasty snacks that filled the room Max was getting more and more excited about Halloween every day His friends Oscar the pterodactyl and Tina the triceratops told him about the things they did on Halloween Max was mesmerized by their creative descriptions which made him think of magical parties and magical disguises Max chose to make the most of the nice afternoon He went to his parents Manny and Martha with a strong will and told them the truth Max said Mom and Dad I want to celebrate Halloween this year I want to dress up and have fun with my friends Manny and Martha smiled along with Max because they could see how happy he was He asked in a somber voice Halloween you say It is not a custom amongst mammoths but if it stirs your heart dear Max we shall stand by you Martha agreed and nodded her eyes shining with love Max s mind was racing as he imagined his dream costume We will help you make a wonderful costume my child Tell me what does your heart desire I just picture myself as a mean dinosaur he cried with joy He was thrilled at the thought of spending the night as one of the beautiful animals he had seen for a long time wandering their ancestral lands Max s folks were happy and supportive of his choice They set out to make the best outfit possible They worked very hard to make scales for his back and tail by weaving together leaves twigs and plants from the lush forest
