Apple Music 2025:

Recent Development in India @2025 Dr. Yogesh Bainsla, Dr. A. Asrar Ahamed, Dr. Prasenjit Karmakar, 2025-02-22 The Rise of the Sharing Economy Kevin Govender, 2021-09-27

Is access the alternative to ownership In 2011 the sharing economy was dubbed by Time magazine as one of the Ten ideas that will change the world and it has been widely hailed as a major growth sector by sources ranging from Fortune magazine to the World Economic Forum to former President Obama The sharing economy is a new economic model that focuses on access to assets or resources instead of ownership It has exploded in popularity over recent years and has disrupted a significant number of mature industries such as accommodation automotive and entertainment The total value of the global sharing economy is estimated to grow from 14 billion in 2014 to 335 billion by 2025 With limited resources the desire to become more environmentally conscious the high cost and burdens of ownership and a rapidly growing population living increasingly in densely populated cities consumers are faced with greater challenges and opportunities to fill their consumption needs People are experiencing a significant value shift with a desire to reconnect with products and services in a more meaningful way are becoming more cost and environmentally conscious and are prioritising experience over ownership An organisation's ability to reimagine and reinvent its business model to offer unique opportunities for humanising technology and developing innovative sharing platforms such as Uber and Airbnb would be a game changer for them While the Fourth Industrial Revolution and COVID 19 pandemic are influencing and changing consumer behaviour organisations are facing a dilemma that is affecting the future of their profitability existence and sustainability In The Rise of the Sharing Economy Kevin Govender shares his insights and expertise on the evolution of the sharing economy consumer behaviour and alternative business models and empowers consumers to rediscover and realise the enormous benefits of access over ownership and the potential savings in time money space and the opportunity Access is a cultural and socio economic phenomenon that is transforming businesses consumers the way we live work learn consume commute and play Access is the new ownership , *Film Production eBook* GURMEET SINGH DANG, **Europe Tourism eBook** GURMEET SINGH DANG, **De Gruyter Handbook of Media Economics** Ulrike Rohn, M. Bjørn Rimscha, Tim Raats, 2024-05-20 The handbook presents key contributions from scholars worldwide providing a comprehensive exploration of current trends in media industries from diverse perspectives Within the framework of understanding contemporary and future trajectories in media markets and industries the volume delves into their influence on media organization and delivery along with broader societal and market implications Encompassing research at the crossroads of economics management political economy and production studies the handbook emphasizes the necessity for a robust interdisciplinary dialogue Beyond scrutinizing present and forthcoming industry developments the handbook addresses pivotal issues pertaining to media economics research methods and pedagogy It serves as a valuable resource for scholars students and media professionals providing insights into media economics as an academic field and delving into the
