Dear Mr. Holmes,

For 10 years now, I have greatly advanced in my teaching career. In my past three employments, I have worked closely with principals to make high-impact changes that have resulted in a 10% raise in teacher salaries and a 98% student enrollment, both in the span of two years. Now, I am to serve as the principal for Little Lakers Academy.

Among the valuable skills I have learned throughout the years, I mastered the development, implementation and communication of the school's mission and vision in ways that result in ownership. I am comfortable taking calculated risks due to my natural ability to recognize and monitor the effectiveness of school practices and their impact on student achievement. My interventions have led to a 30% increase in students graduating with a 4.0 GPA, an indispensable achievement I would be happy to try to bring to Little Lakers Academy.

With the help of your team, I am confident I can make a smooth relocation to work best for the school. I am eager to meet with you to discuss the areas Little Lakers Academy aims to improve on and my ideas for innovation using evidence-based strategies and programs.

Thank you for your time and consideration.

Best regards,
Emma Bilski
