Moby Dyke Krista Burton, 2024-06-04 A former Rookie contributor and creator of the popular blog Effing Dykes investigates the disappearance of America's lesbian bars by visiting the last few in existence. Lesbian bars have always been treasured safe spaces for their customers providing not only a good time but a shelter from societal alienation and outright persecution. In 1987 there were 206 of them in America. Today only a couple dozen remain. How and why did this happen? What has been lost or possibly gained by such a decline? What transpires when marginalized communities become more accepted and mainstream? In *Moby Dyke* Krista Burton attempts to answer these questions firsthand venturing on an epic cross-country pilgrimage to the last few remaining dyke bars. Her pilgrimage includes taking in her first drag show since the onset of the pandemic at The Back Door in Bloomington, Indiana; competing in dildo races at Houston's Pearl Bar; and despite her deep-seated hatred of karaoke joining a group serenade at Nashville's Lipstick Lounge and enjoying the dreaded pastime for the first time in her life. While Burton sets out on the excursion to assess the current state of lesbian bars, she also winds up examining her own personal journey from coming out to her Mormon parents to recently marrying her husband, a trans man whose presence on the trip underscores the important conversation about who precisely is welcome in certain queer spaces and how they and their occupants continue to evolve. *Moby Dyke* is an insightful and hilarious travelogue that celebrates the kind of community that can only be found in windowless rooms soundtracked by Britney Spears heavy playlists and illuminated by overhead holiday lights, no matter the time of year.

Hey Ladies! Michelle Markowitz, Caroline Moss, 2018-05-01 Based on the column of the same name that appeared in *The Toast*, *Hey Ladies!* is a laugh-out-loud read that follows a fictitious group of eight 20 and 30-something female friends for one year of holidays, summer house rentals, dates, brunches, breakups, and of course the planning of a disastrous wedding. This instantly relatable story is told entirely through emails, texts, DMs, and every other form of communication known to man. The women in the book are stand-ins for annoying friends that we all have: There's Nicole who's always broke and tries to pay for things in Forever 21 gift cards; There's Katie, the self-important budding journalist who thinks a retweet and a byline are the same thing; And there's Jen, the DIY suburban bride-to-be. With a perfectly pitched sardonic tone, *Hey Ladies!* will have you cringing and laughing as you recognize your own friends and even yourself.

Death at the Door Olivia Blacke, 2025-10-21 The odd couple of crime solving

returns in Olivia Blacke's *Death at the Door* where a ghost and her living roommate find another mystery on their doorstep. Ruby Young is slowly adjusting to her new life in Boston. A big part of that is her unexpected roommate, the ghost of the woman who lived there before. For Cordelia Graves, she may no longer be breathing, but it's still her apartment, and Ruby is the somewhat unwanted houseguest. They're both happy they've managed to become friends, which is a miracle considering they struggle to communicate with each other. Cordelia even sets Ruby up with her old job. When Ruby discovers the body of a delivery guy at work, the new life she's been building hangs in the balance. The last time Cordelia dragged Ruby into a murder investigation, it was almost two ghosts living in the apartment, not one. Determined to protect Ruby, Cordelia tries to shield her from the investigation, but Ruby has other ideas. It will take both of them working together to navigate the fine line between the dead and the living to bring a killer to light.

Lou with the Band Alexandra Leigh Young, 2025-10-07 From the acclaimed author of the delicious *Idol Gossip* comes a new music-themed novel with an irresistible backbeat and a thoughtful read on friendship and identity. When Lou enlists her best friend Molly to shave her head, it's partly so she doesn't have to deal with washing her hair all the time while on tour and partly because she's ready to be a new person. No stranger to reinventing herself, restless Lou is a Cuban American girl who's never left Texas, let alone the country. But the New Lou has deferred her first semester at Texas State to work for a celebrity musician on tour. She's bound for China, Japan, half of Europe, and everywhere in between, though it means getting intimately acquainted with the band's dirty laundry. Even with her road crew uncle on alert, it will be the summer of a lifetime full of underground parties, disco spas, and gelato. When Lou falls for a tattooed guitar prodigy who makes her feel achingly alive, it doesn't cross her mind to doubt him or, as life on the road tightens its hold, her course. Will Molly know her when she returns? If she returns. Who is the New Lou really? Pulsing with energy and authentic detail, this story of self-discovery ushers readers backstage on a sensational world tour.
