Costume, Makeup, and Hair Adrienne L. McLean, 2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists hair stylists and costumers With precious few but notable exceptions creative workers in these fields have received little public recognition even when their artistry goes on to inspire worldwide fashion trends From the acclaimed Behind the Silver Screen series Costume Makeup and Hair charts the development of these three crafts in the American film industry from the 1890s to the present Each chapter examines a different era in film history revealing how the arts of cinematic costume makeup and hair have continually adapted to new conditions making the transitions from stage to screen from monochrome to color and from analog to digital Together the book's contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation often fashioning striking looks and ingenious effects out of limited materials Costume Makeup and Hair not only considers these crafts in relation to a wide range of film genres from sci fi spectacles to period dramas but also examines the role they have played in the larger marketplace for fashion and beauty products Drawing on rare archival materials and lavish color illustrations this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume makeup and hairstyling as distinct art forms

Academy of Learning: Your Complete Preschool Lesson Plan Resource - Volume 2, *Generation Z* Victoria Carrington, Jennifer Rowsell, Esther Priyadharshini, Rebecca Westrup, 2015-12-17 This book argues that the mythic figure of the zombie so prevalent and powerful in contemporary culture provides the opportunity to explore certain social models such as childhood and school class and family that so deeply underpin educational policy and practice as to be rendered invisible It brings together authors from a range of disciplines to use contemporary zombie typologies slave undead contagion to examine the responsiveness of everyday practices of schooling such as literacy curriculum and pedagogy to the new contexts in which children and young people develop their identities attitudes to learning and engage with the many publics that make up their everyday worlds

Privileged Victims Eddie Scarry, 2020-02-25 America's worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so called privilege and entitled brats claiming victim status The country is under siege and America's most ferocious enemy is already here our privileged victims On university campuses in the news media and in Hollywood race gender and sexuality determine who should advance and who should be taken down a peg Driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better And God have mercy on any individual deemed to benefit from privilege Privileged Victims zealously exposes the lies and myths behind The MeToo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men Hoax hate crimes a key feature of the privileged victim class The debate over our jungle like immigration system dumbed down by a scheming national news media to ugly

charges of racism and xenophobia Hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice And so much more In gripping detail Eddie Scarry uncovers the perversion behind social justice and its identity first dogma that s replacing America s meritocracy tracing its origins in academia and shining a light on the havoc it has wrought over the course of three decades Bewildered citizens mistakenly believe that it s a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it s a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It ll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn t care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly [The Game Business Guidebook](#) Diego Ricchiuti,John Henley,2025-04-30 This book is the perfect toolkit for any developer who wishes to transform an idea into a viable business From the experience of a game designer and a business developer it covers every step from the conception of the game to signing a deal with a publisher finding the right type of funds sending follow up e mails and attending trade shows are just a few of the tools the reader will find in the book Benefitting from the authors combined 30 years of experience in the industry the book provides an in depth business strategy for games The book is divided into four sections introduction preparation execution and contingencies The reader is presented with the knowledge required to get started both for the company s culture and strategy and for the team s pitching abilities and material In the action phase the authors explain how to prepare a budget deal with the publisher and cultivate their professional relationship Lastly the book explains how to deal with unsuccessful scenarios in being funded and how to self publish as an investment for better exposure and future opportunities This book will be vital reading to all independent game developers those working at AA game studios and aspiring business developers
