The Netflix Vision of Horror Sotiris Petridis, 2021-07-05 Since

the emergence of on demand streaming platforms television as a storytelling medium has drastically changed The lines between TV and cinema are blurred Traditionally television relied on narrative forms and genres that were highly formulaic striving to tease the viewer onward with a series of cliffhangers while still maintaining viewer comprehension Now on platforms such as Netflix the lack of commercial breaks and the practice of binge watching have led to a new type of television flow that urges viewers to see and consume a series as a whole and not as a fragmented narrative This book examines the structuring methods of 13 Netflix original horror series including Chilling Adventures of Sabrina Stranger Things Hemlock Grove The Haunting of Hill House and Santa Clarita Diet Although these shows use television as the medium of storytelling they are structured according to the classical rules of film

Return of the Hustle Eric Sheinkop, 2016-03-11

Has a commercial ever brought you to tears Has a movie ever inspired you so much you change your way of life Has the series finale of a television show ever broken your heart Has a video game ever altered your perception of reality If you re like most consumers you answered yes to at least one of those questions Whether you remember it or not the music of that ad film show or game probably played a big role in influencing your emotional response during that experience In fact music is included in media specifically for the purpose of connecting with audiences on a deeper level that visuals alone cannot access A strong music strategy is fundamental to the success of television film brands and video games Because of higher expectations for audiovisual content it will take more than clever animation or a celebrity cameo to connect with consumers in an authentic organic way By providing audiences with a genuine music experience whether with an exclusive song through an artist partnership or by featuring new music from an emerging band you can build a bond that extends far beyond product experience Music touches us emotionally in a way that words seldom do We feel it we remember it In Return of The Hustle a leading music and marketing industry insider discusses the diverse audio touchpoints for four key industries and shows how marketers storytellers and advertisers can use music to effectively guide audiences along the customer journey from passive consumers to brand advocates Return of The Hustle provides readers with a blueprint for music strategy that professionals at any level in any industry can use to attract consumers immerse them into the content and extend relationships between them and the brand long after the commercial ends or the credits roll With detailed case studies exhaustive interviews and thorough research Return of the Hustle gives readers the playbook to use the marketing power of music to drive business results

Netflix and Streaming Video Amanda D. Lotz, 2022-07-22

Netflix and Streaming Video is the first book to provide a comprehensive foundation for understanding the business of subscriber funded streaming video and its implications for the role of these services in culture Drawing on Lotz s two decades of research it highlights the similarities and differences among streaming video services Netflix Amazon and video distribution technologies broadcast satellite internet Making a number of provocative and thought provoking arguments the book first reveals how the reliance on subscriber payment and video on demand produces different norms and strategies compared to previous video businesses It then investigates Netflix

and how its particular blend of characteristics distinguishes it from other subscriber funded video on demand services The author expertly shows that by understanding the underlying economic and technological dynamics of these services and their differences it is possible to better assess the actions taken by the companies and what the future of video may encompass The book is a must read for students and scholars of Media and Communications Studies as well as those wishing to learn more about Netflix and streaming video services [The return of the housewife](#) Emma Casey,2025-04-08 An illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women Housework is good for you Housework sparks joy Housework is beautiful Housework is glamorous Housework is key to a happy family Housework shows that you care Housework is women s work Social media is flooded with images of the perfect housewife TikTok and Instagram cleanfluencers produce endless photos and videos of women cleaning tidying and putting things right Figures such as Marie Kondo and Mrs Hinch have placed housework with its promise of a life of love and contentment at the centre of self care and positive thinking And yet housework remains one of the world s most unequal institutions Women especially poorer women and women of colour do most low paid and unpaid domestic labour In [The return of the housewife](#) Emma Casey asks why these inequalities matter and why they persist after a century of dramatic advances in women s rights She offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker [The Beginners Guide to Using the Newest Apple TV \(Fourth Generation - 2015\)](#): Thomas Belle,2015-11-05 Mac iPhone iPad Apple TV While Apple TV may not get the same press as other Apple products that is about to change For years Apple TV was touted on Apple s hobby product something they tinkered with occasionally but not something they put as much effort in as other Apple products This guide is an introduction to the newest Apple TV released in October 2015 If you are just thinking about making the switch from cable to streaming TV then this book will show you how if you ve already made the switch but you want to get the most out of it then it will covers that as well There s something for everyone here so read on [What's Behind the Numbers?: A Guide to Exposing Financial Chicanery and Avoiding Huge Losses in Your Portfolio](#) John Del Vecchio,Tom Jacobs,2012-10-10 Learn how to detect corporate sleight of hand and gain the upper hand with smart investing [The Rough Guide to Costa Rica \(Travel Guide eBook\)](#) Rough Guides,2017-10-05 Discover one of Latin America s most diverse and compelling countries with the definitive travel guide to Costa Rica researched by Rough Guides expert authors In depth coverage of Costa Rica s awe inspiring scenery guides you to the most rewarding destinations both big hitters and low key tourist free spots and the best ways to experience them Whether you want to soak in a hot spring or go white water rafting walk through the canopy of a cloud forest or just sit back and enjoy some of the finest coffee on earth we ve got you covered The Rough Guide to Costa Rica brings to life Costa Rica s incomparable wildlife with stunning colour photography and as over a quarter of the country is protected land you ll have plenty of chances to see it With turtle nesting beaches jewel like butterflies and frogs and more bird species than the US and Canada combined the Rich Coast more than lives up to its
