

What is Poetry?

Poetry tries to connect with the reader so they understand the writer's thoughts and feelings.

Poets use lots of different words - they can be short or long, real or fake, real or imagined, emotional and unemotional, rhyming or not.

The writer has the freedom to write in any way they feel will best express their thoughts and feelings.

The Tone of the Poem

Is it a happy poem?

Is it a sad poem?

Is it an angry poem?

Is it a surprising poem?

Is it a funny poem?

Is it an exciting poem?

When the emotion of the poem has been shown, it will make the poem easier to be understood. It's important that the tone of the poem is clear.
