Religious Devotion and the Poetics of Reform George Pati,2019-02-18 The poetry emanating from the bhakti tradition of devotional love in India has been both a religious expression and a form of resistance to hierarchies of caste gender and colonialism Some scholars have read this art form through the lens of resistance and reform but others have responded that imposing an interpretive framework on these poems fails to appreciate their authentic expressions of devotion This book argues that these declarations of love and piety can simultaneously represent efforts towards emancipation at the spiritual political and social level This book through a close study of Na ini 1911 a Malayalam lyric poem as well as other poems authored by Mah kavi Kum ran n 1873 1924 a low caste Kerala poet demonstrates how n employed a theme of love among humans during the modern period in Kerala that was grounded in the native South Indian bhakti understanding of love of the deity n believed that personal religious freedom comes from devotion to the deity and that love for humans must emanate from love of the deity In showing how devotional religious expression also served as a resistance movement this study provides new perspective on an understudied area of the colonial period Bringing to light an under explored medium in both religious and artistic terms this book will be of great interest to scholars of religious studies Hindu studies and religion and literature as well as academics with an interest in Indian culture **Coming of Age in Jewish America** Patricia Keer

Munro,2016-05-01 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child s bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family s ongoing connection to the core values of Judaism Coming of Age in Jewish America takes an inside look at bar and bat mitzvahs in the twenty first century examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies from family members to religious educators to rabbis Patricia Keer Munro

presents a candid portrait of the conflicts that often emerge and the negotiations that ensue In the course of her study she charts how this ritual is rife with contradictions it is a private family event and a public community activity and for the child it is both an educational process and a high stakes performance Through detailed observations of Conservative Orthodox Reform and independent congregations in the San Francisco Bay Area Munro draws intriguing broad reaching conclusions about both the current state and likely future of American Judaism In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity **"Code of Massachusetts regulations, 2013"** ,2013 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 Performing Catholicism Sir Anril Pineda Tiatco,2016 Generally this book is a reflection of the relationship between religion and theater Particularly it looks at the relationship of Catholicism and performance or the embodied world of theater in opposition to the written text publisher **The Age of de Valera** Joseph Lee,Gearóid Ó Tuathaigh,1982 Directory of Religious Organizations in the United States J.
