Foldable Phone Review Customer Service:

An Empirical Research on Customer Satisfaction towards Various Services Dr. R. Chandrasekaran, 2025-05-15
Empirical Research on Customer Satisfaction Towards Various Services is an insightful academic and practical resource that explores customer satisfaction through the lens of empirical investigation. It focuses on how satisfaction levels vary across service industries by collecting and analyzing primary data using statistical tools and research methodologies. This book is designed for researchers, academicians, practitioners, and students seeking a deep understanding of the dynamics that influence consumer satisfaction in diverse service environments. Customer Satisfaction Towards Various Services is a comprehensive exploration into one of the most crucial aspects of modern business strategy: customer satisfaction. This book examines how customer expectations, experiences, and perceptions shape their satisfaction levels across different service industries, including banking, healthcare, hospitality, telecommunications, education, FMCG, and e-commerce. The book delves into the theoretical foundations of customer satisfaction, drawing upon established models such as SERVQUAL, the Expectation Confirmation Theory, through a combination of literature reviews, case studies, and primary research data. The author's present a comparative analysis of how service quality, responsiveness, reliability, empathy, and customer engagement influence satisfaction in each sector.
