Perfect Circle The Story Of R E M:

Perfect Circle: The Story of R.E.M. Tony Fletcher, 2018-04-26 R E M the most acclaimed American group of their generation disbanded in September 2011 with their idealism and dignity intact In this the final edition of his best selling R E M biography Tony Fletcher brings their story to a conclusion and explains what led this unique group to draw a curtain on their career This Omnibus Enhanced digital edition of Perfect Circle includes a bonus multimedia discography charting every album and single of R E M s career presented in chronological order through audio video and imagery Drawing on interviews with band members friends associates and business partners the book follows R E M s upward trajectory from the seminal debut Murmur in 1983 to the 1990s when their albums Out Of Time Automatic For The People and Monster sold tens of millions making them one of the world s biggest groups to their final years together Granted access to the group throughout their career Tony Fletcher delves beyond R E M s renowned humility and social awareness discussing fame fortune and sexuality with the same keen eye he casts on the group s astonishing career and musical catalogue The result is neither blind fan worship nor jaundiced critical cynicism but a balanced and thorough telling of one of the most compelling rock stories of our time *The Name of This Band Is R.E.M.* Peter Ames Carlin, 2025-11-04 THE NEW YORK TIMES BOOK REVIEW EDITORS CHOICE An electrifying cultural biography of the greatest and last American rock band of the millennium whose music ignited a generation and reasserted the power of rock and roll Carlin s unique gift for capturing the sweep and tenor of a cultural moment is here on brilliant display Michael Chabon In the spring of 1980 an unexpected group of musical eccentrics came together to play their very first performance at a college party in Athens Georgia Within a few short years they had taken over the world with smash records like Out of Time Automatic for the People Monster and Green Raw outrageous and expressive R E M s distinctive musical flair was unmatched and a string of mega successes solidified them as generational spokesmen In the tumultuous transition between the wide open 80s and the anxiety of the early 90s R E M challenged the corporate and social order chasing a vision and cultivating a magnetic transgressive sound In this rich intimate biography critically acclaimed author Peter Ames Carlin looks beyond the sex drugs and rock n roll to open a window into the fascinating lives of four college friends Michael Stipe Peter Buck Mike Mills and Bill Berry who stuck together at any cost until the end Deeply descriptive and remarkably poetic steeped in 80s and 90s nostalgia *The Name of This Band is R E M* paints a cultural history of the commercial peak and near total collapse of a great music era and the story of the generation that came of age at the apotheosis of rock Begin the Begin Robert Dean Lurie, 2019-05-14 Robert Dean Lurie s biography is the first completely researched and written since R E M disbanded in 2011 It offers by far the most detailed account of their formative years the early lives of the band members their first encounters with one another their legendary debut show touring out of the back of a van initial recordings their shrewdly paced rise to fame The people and places of the South are crucial to the R E M story in ways much more complex and interesting than have been presented thus

far says Lurie who explores the myriad ways in which the band's adopted hometown of Athens Georgia and the South in general have shaped its members and the character and style of their art The South is more than the background to this story it plays a major role the creative ferment that erupted in Athens and gripped many of its young inhabitants in the late 70s and early 80s drew on regional traditions of outsider art and general cultural out there-ness and gave rise to a free spirited music scene that produced the B 52's and Pylon and laid the ground for R E M's subsequent breakout success Lurie has tracked down and interviewed numerous figures in the band's history who were under represented in or even absent from earlier biographies and they contribute previously undocumented stories as well as casting a fresh light on the familiar narrative

The 100 Greatest Bands of All Time David V. Moskowitz,2015-11-10 This one of a kind reference investigates the music and the musicians that set the popular trends of the last half century in America Many rock fans have at one time or another ranked their favorite artists in order of talent charisma and musical influence on the world as they see it In this same spirit author and music historian David V Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years Since the chosen bands are based on the author's personal taste this two volume set provokes discussion of which performers are included and why offering insights into the surprising influences behind them From the Everly Brothers to the Ramones to Public Enemy the work covers a wide variety of styles and genres clearly illustrating the connections between them Entries focus on the group's history touring membership major releases selected discography bibliography and influence Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry

Remarks Remade: The Story Of REM Tony Fletcher,2009-10-28 REM are the most influential prolific and vital American group of the last quarter century From their humble post punk beginnings in the college town of Athens Georgia to their current standing as a global phenomenon REM have consistently bucked audience expectations and defied music biz rules This new edition of Tony Fletcher's acclaimed biography brings the band's story right up to date covering the departure of drummer Bill Berry Michael Stipe's increasing role as a spokesman for humane causes Peter Buck's air rage trial and the group's music right up to their 2001 *Reveal* album

R.E.M. Album by Album Max Pilley,2023-03-23 From cowering introverted founders of the alternative rock movement to one of the twenty best selling American bands of all time the story of R E M covers three decades two generations and the passions of millions First

they lifted a humble Southern college town into myth re calibrating rock music at the moment that it threatened to reach the point of terminal excess and then unsatisfied they carried their progressive ideology right into the heart of mainstream popular culture selling over 85 million records and winning universal acclaim along the way totally without compromise R E M Album by Album tells that story tracing the band from its formation in 1980 when four young men sought respite from the difficulties of real life by starting a covers band right up until their eventual split in 2011 shedding new light on the lyrical and musical development of the band as artists from their esoteric early masterpieces to the moment that they signed the world s largest ever recording contract For the very first time too we examine the first decade after the band s demise scrutinizing the shifting sands of their legacy as the dust settles on one of pop music s most extraordinary careers [CMJ New Music Report](#) ,2003-09-29 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success **Ruth and Martin's Album Club** Martin
