There have also been helpful books written on the dynamics of family life when family members have an individual who has an addiction. However, few books have been written to help families as they struggle with the faith questions and issues that arise when addiction is a part of the family. This book will help families deal with these faith questions and issues such as where is God, how do I pray, and is there hope. This book is written for families that are dealing with the addiction of a family member. It is intended to address the faith issues that these families are struggling with as they also deal with the family dynamics associated with addiction. **A Study Guide for Jane Smiley's A Thousand Acres** Gale, Cengage Learning, 2015-09-24 **Understanding Codependency, Updated and Expanded** Joseph Cruse, Sharon Wegscheider-Cruse, 2012-06-05 The groundbreaking book *Understanding Co-Dependency* ushered in a new way of thinking about codependency and helped millions of people discover if they were co-dependent if they were living with a co-dependent and how to break the cycle. Now in this revised edition, Joseph Cruse, founding medical director of The Betty Ford Center, provides findings and insights into codependency. Thirty years ago, clinicians viewed alcoholism as a liver disease; today, research has revealed that addiction and many codependent behaviors are related to brain functioning. Cruse explores this brain connection and expands on the all-important issues of trauma, it relates to codependency, denial, low self-esteem, and self-worth. With updated case studies and exercises, *Understanding Codependency* dispels the notion that the cycle of codependency can't be broken, offering readers a lifeline to the fulfilling relationships and lives they deserve.
