Personal Apprentice Mega Mini Kits:

Rurality and Education Barbara Pini, Robyn Mayes, Laura Rodriguez Castro, 2020-04-30 This book broadens the scope of the subject of rural education and enlivens the ways in which the subject may be studied Through textual and visual analysis of a range of sources including young adult novels the farming simulation game Hay Day and reality television programs the contributors investigate how the lives of young people in rural spaces are mediated by a range of social locations including class ethnicity and sexuality Additionally through rich and detailed ethnographic work the book explores the complicated and multifaceted meanings of rural places and examines how these meanings shape experiences of schooling for teachers and students In doing so the book embeds the study of rural education in explorations of patrilineal inheritance on family farms international migration globalisation and economic restructuring It aims to start a conversation about the robust and complex ways in which the confluence between rural and education may be imagined experienced and researched This book was originally published as a special issue of Discourse Studies in the Cultural Politics of Education
