Pennsylvania Impressionism:

Pennsylvania Impressionism William H. Gerdtz, Sylvia Yount, 2002-10-25 This magnificent new book has assembled a definitive collection of impressionistic works from the Bucks Country region of eastern Pennsylvania Excellent Bloomsbury Review

The Pennsylvania Impressionists Thomas Folk, 1997 The Pennsylvania Impressionists is the first book to focus on the Pennsylvania School of Landscape Painting Starting in 1898 a group of Impressionist painters began to settle on the outskirts of New Hope Pennsylvania Although largely forgotten by the 1950s these artist comprised a major school of landscape painting Today considerable interest has been generated by this school The leading figure in this group Edward Redfield was noted for his large broadly and vigorously painted snow scenes which he completed at one go or in a single afternoon He developed a major reputation in American art and was awarded more honors and prizes than any other American artist with the exception of John Singer Sargent

The Darby School of Art Mark W. Sullivan, 2023-11-15 This first full length account of the Darby School of Art overturns Philadelphia s long held unwarranted reputation and demonstrates that Philadelphia was a hub of avant garde painting in the early twentieth century This first full length account of the Darby School of Art overturns Philadelphia s long held unwarranted reputation as artistically stodgy unwilling and unable to embrace Impressionism post Impressionist and abstract art and demonstrates that Philadelphia was more avant garde in the early twentieth century than previously thought This is the story of an almost completely forgotten summer art school that flourished first in Darby PA and then in Fort Washington PA between 1898 and 1918 The Darby School of Art was founded and operated by Thomas Anshutz and Hugh Breckenridge two artists who taught during the academic year at the Pennsylvania Academy of the Fine Arts Anshutz and Breckenridge brought a lot of new ideas about painting back to Philadelphia after their European sojourns and introduced those ideas to a public that was initially not very responsive to Impressionism Post Impressionism and semi abstract art But an appreciation for modern styles of painting began to slowly grow among Philadelphia artists and collectors and Anshutz and Breckenridge were in the forefront of this development They also sympathized with what some have called the New Woman movement which backed women who wanted to pursue careers outside of the home In this new history expert Mark Sullivan argues that the Philadelphia area was a genuine hub of avant garde painting in the early twentieth century even though it has earned the reputation of lagging far behind New York City in its openness to new styles of painting It also discusses how the Darby School should be recognized as an institution that got behind the idea of women as professional artists at a time when that concept was quite radical

Pennsylvania Histories Sheldon Spear, 2015-10-22 This book offers a consciously eclectic approach to the rich history of Pennsylvania in the period from 1740 to 1950 Combining original research with syntheses of relevant work by other historians Pennsylvania Histories seeks to appeal to both professional historians and general readers by presenting a range of significant individuals groups and events that are likely to be less familiar to audiences interested in the history of Pennsylvania The Moravians for example emerge as a denomination whose involvement in proselytization activities sets them apart from the quietism of the Amish and other well known sects Although the book concentrates on Pennsylvania the subject matter is also germane to wider issues in the areas of economics race and ethnicity religion and gender studies Among the many topics discussed Pennsylvania Histories considers the French and British refugees who settled near the Susquehanna River during the late eighteenth century the burning of the town of Chambersburg by Confederate raiders in 1864 and the semi public executions in Pennsylvania towns that persisted into the early twentieth century **Pennsylvania**

Impressionism Philadelphia Museum of Art, 2001 Mapping Impressionist Painting in Transnational Contexts Emily C. Burns, Alice M. Rudy Price, 2021-05-03 This book offers microhistories related to the transnational circulations of impressionism in the late nineteenth and early twentieth centuries The contributors rethink the role of French impressionism in shaping these iterations by placing France within its global and imperialist context and arguing that impressionisms might be framed through the mobility studies concept of constellations of mobility Artists engaging with impressionism in France as in other global contexts relied on responded to appropriated and resisted elements of form and content based on fluid and interconnected political realities and market structures Written by scholars and curators the chapters demand reconsideration of impressionism as a historical construct and the meanings assigned to that term This project frames future discussion in art history cultural studies and global studies on the politics of appropriating impressionism **A Companion to Modernist Literature and Culture** David Bradshaw, Kevin J. H. Dettmar, 2008-10-20 The Companion combines a broad grounding in the essential texts and contexts of the modernist movement with the unique insights of scholars whose careers have been devoted to the study of modernism An essential resource for students and teachers of modernist literature and culture Broad in scope and comprehensive in coverage Includes more than 60 contributions from some of the most distinguished modernist scholars on both sides of the Atlantic Brings together entries on elements of modernist culture contemporary intellectual and aesthetic movements and all the genres of modernist writing and art Features 25 essays on the signal texts of modernist literature from James Joyce's Ulysses to Zora Neal Hurston's Their Eyes Were Watching God Pays
