Howard Pyle, 2017-08-07 *Pepper and salt or seasoning for young folk* is a charming collection of illustrated fairy tales and poems. Filled with whimsical, beautifully detailed drawings, this feast for eyes is a must own for those who are fans of Howard Pyle's work. Pepper & Salt, Or Seasoning For Young Folk Howard Pyle, 1913 *Pepper & Salt* Howard Pyle, 2020-12-30 *Pepper and Salt* by Howard Pyle is a wonderful collection of children's stories and poetry. Written at the turn of the century when children's literature was at its peak, its charming illustrations and fascinating tales impart valuable lessons in a way that is meant to both entertain and elevate young readers. The author writes, "One must have a little pinch of seasoning in this dull heavy life of ours; one should never look to have all the troubles, the labors, and the cares with never a whit of innocent jollity and mirth. Yes, one must smile now and then, if for nothing else than to lift the corners of the lips in laughter that are only too often dragged down in sorrow." The illustrations, drawn by one of the greatest artists who ever lived, the author himself, are both rollicking and lovely and perfectly complete. This clever and altogether delightful book, newly designed and typeset by Waking Lion Press. ***Pepper and Salt (Annotated)*** Howard Pyle, 2016-03-30 An old classic, this compilation of fables was originally published in 1887. Pyle wrote in a very conversational, court-jesterish tone, meaning for them to be read aloud. The stories contain moral and situational dilemmas out of which each story's protagonist must find their way. In the midst of the stories are also full-page poems that are quite witty. *Pepper and Salt and the Wonder Clock* Howard Pyle, 2006-11 Two volumes collect more than thirty illustrated fairy tales, including *Bearskin*, *Peterkin*, and *the Little Grey Hare*, and *Clever Peter* and *the Two bottles*, which are interspersed with original fables told in rhyme. *Pepper & Salt; or, Seasoning for Young Folk* Howard Pyle, 2023-08-12 In *Pepper or Seasoning for Young Folk*, Howard Pyle offers an exquisite collection of charming fables and stories crafted for a youthful audience. Rich with whimsy and moral undertones, this anthology explores timeless themes of virtue, the consequences of one's actions, and the importance of imagination, all delivered in Pyle's captivating and lively prose. His engaging storytelling, complemented by vibrant illustrations, places this work within the broader context of American children's literature in the late 19th century, reflecting a growing recognition of the need for quality literature tailored for young readers. Howard Pyle, a pioneering figure in American illustration and literature, was deeply influenced by the folk traditions and fairy tales of various cultures, which shaped his desire to create accessible yet profound narratives for children. His background in art and storytelling led him to blend moral teachings with entertainment, ensuring that young readers not only enjoy the tales but also glean valuable life lessons. Pyle's passion for nurturing the imagination of children is both evident and central to his purpose in this collection. *Pepper* is an invitation to inspire creativity, provoke thought, and instill the values that will resonate throughout a lifetime.
