Questing through the Riordanverse, Nathan E. Fleeson, Carolyn M. Jones Medine, 2024-06-15 Questing through the Riordanverse: Studying Religion with the Works of Rick Riordan examines the works of Rick Riordan and explores how these works relate to Religion and Theology. Despite the success and popularity of the works, scholars have not given the Riordanverse as much attention as other Young Adult and Middle Grade fantasy books published during the first part of the Twenty-First Century. This volume begins to address that vacuum, drawing from a number of fields including Psychology, Media Studies, Queer Theory, and African American Studies to offer an interdisciplinary interpretation of Riordan's works and their impact on Religion and Theology. Contributors represent a diverse background, including perspectives from young scholars and students who grew up with the series to senior scholars considering where the series fits in the tradition of fantasy, religion, and literature.
