The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism Catherine Burroughs, J. Ellen Gainor, 2023-09-29 The Routledge Anthology of Women's Theatre Theory and Dramatic Criticism is the first wide ranging anthology of theatre theory and dramatic criticism by women writers Reproducing key primary documents contextualized by short essays the collection situates women's writing within and also reframes the field's male defined and male dominated traditions Its collection of documents demonstrates women's consistent and wide ranging engagement with writing about theatre and performance and offers a more expansive understanding of the forms and locations of such theoretical and critical writing dealing with materials that often lie outside established production and publication venues This alternative tradition of theatre writing that emerges allows contemporary readers to form new ways of conceptualizing the field bringing to the fore a long neglected vibrant intelligent deeply informed and expanded canon that generates a new era of scholarship learning and artistry The Routledge Anthology of Women's Theatrical Theory and Dramatic Criticism is an important intervention into the fields of Theatre and Performance Studies Literary Studies and Cultural History while adding new dimensions to Feminist Gender and Sexuality Studies

Cinematic Howling Hoi Cheu, 2010-10-01 Cinematic Howling presents a refreshingly unorthodox framework for feminist film studies Instead of criticizing mainstream movies from feminist perspectives Hoi Cheu focuses on women's filmmaking itself Integrating systems theory and feminist aesthetics in his close readings of films and screenplays by women he considers how women engage the process of storytelling in cinema The importance of these films he argues is not merely that they reflect women's perceptions but that they have the power to reframe experiences and consequently to transform life A major contribution to feminist scholarship that will appeal to scholars of both gender and film Cinematic Howling is written in an approachable and inviting style full of vivid examples and attention to detail which will suit both undergraduate and graduate courses in gender film and cultural studies
