new technologies have changed the tourism industry in an unprecedented way and keeping pace has become challenging Online information is now one of the primary influences on consumer decisions in nearly all major markets For example 41 per cent of tourists arriving in Spain in 2007 had booked through the internet and in the United States the number of trips bought online exceeded those purchased offline Such changes are impacting and influencing the way destinations and companies manage and market themselves **Thin on Top** Bob Garratt,2003 Annotation Thin On Top deconstructs US and UK corporate governance practices and lays out plans for developing universal methods of learning measuring and managing a new set of competenceis to break the cycle of corporate misdeeds professionalize directing and improve board performance Good corporate governance is not just complying with the rules in a formulaic way but is about the board s performance contributing to the direction health and wealth of the organization The ultimate measure of board performance is the continuous accumulation of shareholder value whilst simultaneously developing good relations with the growing powers of stakeholder networks Thin On Top takes the raging international debate on corporate governance away from its over fixation on the headline compliance issues and moves it into two key areas assessing Board Performance and developing a Learning Board Bob Garratt argues against the current complacency and idolization of celebrity CEOs and seeks to re establish the supremacy of the board of directors as the bastion of the company s and shareholder s rights To reach this end the book emphasizes that there are fundamental differences between managers and directors and that the majority of organizations are over managed and under directed It finds that many of the current corporate disaster cases are caused by a toxic mixture of directoral ignorance strategic incompetence and personal cowardice BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Essential SharePoint 2007** Scott Jamison,Mauro Cardarelli,Susan Hanley,2007 Essential SharePoint 2007 focuses on utilizing Microsoft Office SharePoint 2007 to improve collaboration and decision making streamline processes and solve real world business problems Three leading SharePoint consultants
