Peril A Novel Bloodline Trilogy:

Peril Jordyn Redwood, 2013-09-01 Dr Thomas Reeves is at the pinnacle of his career The Department of Defense has awarded him a lucrative contract for his new research into superior autobiographical memory which promises the ability to create combat troops able to quickly learn complex battle plans and enact them perfectly under the most demanding battlefield scenarios An elite unit has received neural grafts from fetal cadavers of genetically altered brain cells with enhanced NMDA receptors The results are remarkable until the recipients begin suffering hallucinations nightmares paralysis and death Dr Reeves searches for answers but DOD insiders want him to stop the search The situation becomes public when pediatric ICU nurse Morgan Adams Dr Reeves s daughter is taken hostage by three research subjects in an attempt to force Dr Reeves into disclosing why they are sick If answers aren t revealed within twenty four hours patients in the pediatric ICU will be killed This spine tingling conclusion to the Bloodline Trilogy raises spiritual and ethical dilemmas torn directly out of today s headlines When does life begin How far does commitment to family go And can the sins of the father ever be forgiven

Poison Jordyn Redwood, 2013-03-26 Five years ago Keelyn Samuels s armed mentally ill stepfather took her family hostage in their house in rural Colorado She and her half sister Raven made it out alive but others did not Authorities blamed the father s frequent hallucinations about a being named Lucent but in the end even the best of the FBI s hostage negotiators failed to overcome the man s delusions and end the standoff peacefully SWAT team member Lee Watson was there that day He watched it all unfold and was able to pull Keelyn and Raven from the grip of their demon possessed father Though partially successful his team had still failed and the outcome of that day and that tortured family has continued to plague Lee ever since Though unusual for SWAT to reconnect with survivors Lee bumped into Keelyn two years after the crisis and they both found some peace in their budding relationship But peace is hard to maintain when the memory returns in the flesh Lucent is back and he s no hallucination In fact he is a very real person with dangerous motives He has kidnapped Raven s daughter and Keelyn worries maybe has hurt Raven as well Though she is estranged from her sister Keelyn feels the immediate need to find Raven and save what family she has left But when others who were involved in that fateful day start dying some by mysterious circumstances Keelyn wonders if she and Lee can emerge unscathed a second time The highly anticipated second installment of the Bloodline Trilogy explores the boundaries of faith and family and what happens when both are put to the test
