Person Or Persons Unknown Sir John Fielding:

Person or Persons Unknown Bruce Alexander,1998-10-01 John Fielding was famous not only as cofounder of London's first police force the Bow Street Runners but also as a magistrate of keen intellect fairness and uncommon detective ability What made this all the remarkable was that he was blind Now with his young assistant and ward Jeremy Proctor Fielding faces a series of crimes that hit shockingly close to home Prostitutes are being murdered around Covent Garden and Fielding devises a daring and desperate plan to find the culprit However the consequences are unexpected and more terrible than even Fielding could imagine Historical fiction done this entertainingly is as close to time travel as we're likely to get *Newsday*

The Detective as Historian Ray B. Browne, Lawrence A. Kreiser, Jr, 2013-02 Readers of detective stories are turning more toward historical crime fiction to learn both what everyday life was like in past societies and how society coped with those who broke the laws and restrictions of the times The crime fiction treated here ranges from ancient Egypt through classical Greece and Rome from medieval and renaissance China and Europe through nineteenth century England and America Topics include Ellis Peter's Brother Cadfael Umberto Eco's Name of the Rose Susanna Gregory's Doctor Matthew Bartholomew Peter Heck's Mark Twain as detective Anne Perry and her Victorian era world Caleb Carr's works and Elizabeth Peter's Egyptologist adventurer tales Gumshoes Mitzi M. Brunsdale, 2006-04-30 The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before This dictionary of fictional detectives helps readers learn about the series in which their favorite detectives are featured Included are alphabetically arranged entries on roughly 150 fictional detectives which provide information about the works in which the detective appears the locales in which the detective operates the detective's investigative methods and other important information Helpful bibliographical citations direct the reader to other interesting works The volume closes with a selected general bibliography various appendices and an extensive index The enormous explosion of crime fiction over the last decade means that more people are looking for a good mystery than ever before Many of the most popular mystery books appear in series and these series feature carefully developed detectives **Clues**, 1998 *The Color of Death* Bruce Alexander, 2001-10-01 Suspicion and fear are running high in London as a gang of expert criminals terrorizes the town in a spree of robbery and murder And in a time when slavery is still practiced in the colonies there is but one peculiar clue to the identity of this group The robbers are all black men The blind judge Sir John Fielding is on the case to ensure that the guilty are punished and that no hasty conclusions are made But when Sir John takes a bullet to the shoulder his young protégé Jeremy Proctor must lead this most delicate investigation under his bedridden counsel And when Jeremy begins to turn over stones he and Sir John come to find that black and white are never as simple as they seem Lively storytelling accurate period details Alexander offers food for thought as well as first class entertainment Publisher's Weekly Alexander is wonderful at catching the pungent flavor of this grandly messy emerging world capital *The Washington Post* Sequels Janet G.
