Close Liaisons Anna Zaires, 2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re-read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person's mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer's impression is spot on The book can be now given away as a souvenir the

performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimmicked version I usually give away a copy of an un gimmicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real un gimmicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding

entry her assistant replied coldly Your people need to learn the rules I won't waste time arguing with a bigot Through the translucent wall Cassia saw a woman with dark skin and short black hair walking toward her door Her regulation bodysuit under a special cloak marked her as a trainee from the Order of Seers Cassia opened the door Priya What's wrong Mother Predictor sent me Priya's eyes moved nervously We need to talk privately Lady Aureum her assistant protested Rules say we can't treat her kind without appointments Make another insulting comment about my patients Cassia interrupted and you'll be cleaning waste systems She sealed the door and turned on the privacy shield What's so urgent Mother Predictor had a vision Imperial soldiers are marching toward House Unitas The death decree has been issued against Councilor Theon Priya lowered her voice to a whisper I'm here to get you and your son to safety Cassia's heart pounded That's impossible We're one of the eleven ruling houses Death decrees are never issued against us Mother's visions are never wrong Your husband will be declared a traitor today Imperial forces are already heading here with orders to kill on sight Cassia tried her communication device No response She tried again with encryption Nothing The signal's being blocked There's more Any child carrying the electrum gene must be killed Priya and Cassia glanced at baby Jai sleeping peacefully in his crib his amber eyes with golden flecks hidden behind closed eyelids the unmistakable mark of House Unitas Without hesitation Cassia began packing supplies An urgent alert on her communicator broke the tension All hail the emperor she answered Cass it's me Cassia's pulse quickened Theon thank the suns I've been trying to reach you I don't have much time His voice was strained Is Jai with you Yes But Theon there's someone here Listen carefully sweetheart You need to take Jai to our special place right now Their code phrase for extreme danger Cassia's blood turned cold What's happening I accessed forbidden data in the archives Shouting erupted in the background followed by weapon fire His breathing became harsh Sweetheart they've broken into my chamber I love you and Jai more than life itself Never forget that Make sure to recharge his favorite toy Theon Wait Theon Cassia whispered urgently A cold voice spoke in the background Councilor Theon you have been deemed a traitor under the Rikali Act You and all who carry the Unitas bloodline will be eliminated There were sounds of fighting energy weapons firing glass breaking then Cassia heard Theon shout Run Cass run Then the connection died Theon she screamed losing all control Priya had already gathered the baby We must leave immediately Cassia shook her mind breaking under the shock I don't understand Why is this happening I I didn't get to tell him I loved him Her voice cracked as panic threatened to overwhelm her Priya set down the baby carrier and gripped Cassia firmly by the shoulders Look at me she commanded Councilor Theon is dead The purge has begun Your only concern now is making sure the Unitas bloodline survives She checked her device and cursed I'm sorry to tell you doctor but imperial forces have killed nearly all House Unitas members Their advance teams have reached this facility Cassia remembered Theon's final words about Jai's toy She reached up to a shelf and grabbed what looked like a standard power cell Opening it a data crystal fell out Theon what did you discover she whispered clutching the crystal to her chest as she gathered her pack with supplies Heavy boots thundered outside A voice demanded to know Dr

Cassia's location Priya pulled out a small weapon from under her cloak and aimed it at the far wall. The air shimmered as a portal appeared. You have a matter transporter, Cassia asked in disbelief. Non-citizens are forbidden from using such technology. This one was borrowed. I've changed its signature and erased all tracking. But that's punishable by death. Then I'll make sure I'm never caught. Priya replied. Soldiers began breaking through the door's security. Priya pulled Cassia and Jai through the portal just as it collapsed behind them. As they traveled, the atmosphere compressed around them, creating a vacuum sensation as freezing energy carried them through space. They reappeared in a lush forest bathed in purple light. Crystal-like snow drifted from the sky toward an amazing mountain that disappeared into clouds. Priya led them to an ancient gate made of rare metal. She typed in a sequence of codes and the gate swung open, then sealed automatically behind them. A large door appeared in the crystal rock face. Priya raised her hand, tracing ancient symbols across the black surface. Glowing writing appeared across the wall, pulsing with inner light. Priya spoke words in a language Cassia's translator couldn't understand. Before her eyes, the door dissolved, revealing an entry way to a vast underground city full of life and architecture unlike anything in imperial records. What is this place, Cassia whispered as they stepped through and descended a ramp. A sanctuary for the gifted non-citizens who preserve the ancient ways. Who are these gifted ones, Cassia asked, her voice barely audible. The Faal Berwaran Ingenian Zerloni and Ethryan. This is where we nurture and protect the powers of Varu. Cassia looked at the hidden city with growing wonder. But practicing the old arts outside approved areas is punishable by death. Priya made a dismissive sound. Your empire makes laws we refuse to follow. Imperial citizens are forbidden here except for you and your son. Why make this exception? Mother Predictor's vision revealed more than I first told you. What else did she see, Cassia asked carefully, still reeling from shock yet unable to deny what was before her. She witnessed centuries of war ending in the empire's fall and the beginning of a new age. Cassia shook her head in disbelief. That's impossible. The empire has existed since before recorded history established when the three suns first aligned. What does this have to do with my family? With Theon. Her voice broke as fresh tears ran down her cheeks. Mother saw the empire fall at the hands of someone bearing the electrum gene, one of Jai's descendants. That's why preserving the bloodline is our highest priority. None of this makes sense, Cassia murmured as they entered a massive cathedral-like dome. The space lit up around them, ancient writing appearing in the air as if written by an invisible hand. The glowing particles arranged themselves into prophecies older than the empire itself. What is this sanctuary, Cassia gasped. Priya's expression softened. Dr. Cassia, welcome to the hidden city of Key. As predicted with the destruction of House Unitas, the Friven Empire fell into four centuries of tyrannical darkness. Eventually, the population forgot there had ever been an eleventh house. Yet in the spaces where memories survive, a single prophecy remained: a promise of a golden age to come. This sacred knowledge was not given to the powerful or the elite. Instead, it passed through the ancient teachings of the wise, nurtured by the exiled and protected by those with the courage to defy the empire.
