Excelling at Customer Service Sorin Dumitrascu, 2017-04 As the saying goes You can t create the house before you build the foundation That s why the first course in this customer service series focuses on building the foundation of excellent service The goals are to Explore the basic concept of corporate culture Recognise how culture directly impacts service Identify barriers to service excellence Strengthening your internal environment impacts your external customer service as well When workplace bonds grow so do customer relationships The result is better performance productivity and increased success If you think your goal in giving good customer service is satisfying the customer think again The slogan Satisfaction Guaranteed just isn t enough in today s highly competitive marketplace This course focuses on how the customer service game has changed and how you can become a much better player Today customer satisfaction is worth relatively little but customer loyalty is priceless And loyalty requires excellence This course will give you a new perspective on the meaning of service offer guidelines for setting service standards provide strategies for excellence from service stars Wal Mart founder Sam Walton said it best There is only one boss the customer And he can fire anybody in the company from the chairman on down simply by spending his money somewhere else Buying into the power of the customer is an important step to developing service excellence But how can you help your organization grow if the power base is elsewhere You ll learn to hear the customer s voice by Recognizing and anticipating customer expectations Focusing on the five primary service factors Another area of importance is how to collect information about the customer You don t have to be a secret agent like James Bond to gather intelligence on clients By completing this course you ll master methods of compiling customer data and

feedback The final lesson in hearing your customer is creating compatibility Identify how to align your services with each customer and gain lasting commitment You've worked so hard to achieve service excellence and now you are ready to pick up the pace to make you a service leader In this course advancing your service skills is the focus You'll put the phrase going above and beyond the call of duty into action There are four major components in this course to move you up a notch to a new level of customer service Think of them as ACTIONS you'll be incorporating into your daily work behaviors You'll be Setting the bar for over the top service Capturing customer commitment face to face Answering the call for great phone service Making e-mail memorable How often do you wake up and say I hope all my customers are nice today That's because it is easy to be nice to nice customers The challenge is in providing service to customers who are not happy whatever the reason The only thing that can torpedo your day more than a confrontational customer is not knowing how to handle one Handle means to get to the root of the problem fix it and create good customers out of conflict situations In this course you'll explore How to create a confrontational customer How to communicate with difficult customers Handling conflict and complaints face to face Handling conflict and complaints over the phone Rebuilding customer relationships during and after conflict There will be customers in your life that you politely refer to as problem customers One such customer consistently hurls challenges your way Another type is so aggressive that one situation alone is enough to earn him the distinction This course is designed to give you the skills to make problem customers some of your best Now that's not as crazy as it sounds Here's why If you have the ability to turn a difficult situation into a positive outcome that's memorable service *Bam!*

Barry J. Moltz, Mary Jane Grinstead, 2009-09 Customer service has been turned upside down by the self-sufficiency and immediacy of shopping and buying products and services on the web Our self-help culture has been transformed into a self-service culture with customers able and willing to do much more for themselves We are becoming accustomed to the benefits and good feelings that we experience online through automated buying experiences that can be customized and personalized to our schedules locations buying patterns and desires More than ever before the transactional relationship between the seller of products and the buyer of those products is critical to companies' overall profitability In this increasingly transparent world where so many products and services are viewed by consumers as commodities providing exceptional customer service becomes the only sustainable competitive advantage for creating customer loyalty The harsh economic realities that every business faces today and for the foreseeable future make this even truer BAM Is a no-nonsense book that teaches companies why they want to deliver effective customer service in this self-service world and how to do it The book debunks the 20 common myths of customer service from The customer is always right to Customer service means the same thing to everyone to Companies achieve customer service by under-promising and over-delivering myths that too many companies use automatically to run their customer service practices and policies without ever questioning them BAM replaces myths with a tactical approach that shows companies how to make more money through attitudes and actions that will help their

customers feel satisfied in good times or bad Creating satisfied customers is the only enduring competitive advantage left in a world market where virtually everything is a commodity Forget the customer service platitudes The only reason a company should offer excellent customer service is because it will make money for the business Your Customer Is the Star Micah Solomon, 2015-07-11 In this groundbreaking volume America's top authority on customer service and customer trends shares everything you need to know to transform your customer service experience and delight every generation of customers from millennials to baby boomers and beyond Your Customer Is The Star explains how your customers have changed and how the customer service and customer experience you provide needs to change as well This is true whether your customers are members of the enormous unprecedented Millennial generation Gen Y the Baby Boomers or otherwise Technology and demographics have changed dramatically over the last decade but customer service has not kept up The days of scripted service employee uniforms long lines and longer wait times are over Your customers today don't want that and they'll vote with their feet or reviews if you try to serve them more of the same The rise of the millennial consumer has begun and this youthful group's influence is powerful and clear They don't care about ostentatious old fashioned ideas of luxury They spend their money on experiences and yes they do have money They share what they're reading eating and buying and they'll Yelp your business a new one if you fail to meet their need for timeliness and authenticity How can businesses keep up In Your Customer Is The Star customer service expert Micah Solomon offers a new way to reach consumers one that will keep them coming back to your business for good Principles and subjects you'll learn inside The rise of the millennial generation as customers their power and different expectations The up trending of the millennial generation's expectations How the expectations of millennials today are quickly spreading to the boomers and other generations The unauthorized Jetsons approach to customer service How to decide which service tasks to assign to people to automation and even to robots The importance of authenticity doing away with scripts reconsidering name badges and uniforms building something genuine for your customer to embrace Building a movie with your customer as the star Turning your business into a stage for customer relationships The importance of values and transparency The importance of ultra speed in today's marketplace and with today's customers The 90% solution to the customer loyalty challenge
