reached a deal to buy the Washington Post for 250 million Henry's ascension at the Globe sparked hope Bezos's purchase seemed to inspire nothing short of ecstasy as numerous observers expressed the belief that his lofty status as one of our leading digital visionaries could help him solve the daunting financial problems facing the newspaper business Though Bezos and Henry are the two most prominent individuals to enter the newspaper business a third preceded them Aaron Kushner a greeting card executive acquired California's Orange County Register in July 2012 and then pursued an audacious agenda expanding coverage and hiring journalists in an era when nearly all other newspaper owners were trying to avoid cutting both The newspaper business is at a perilous crossroads This essential book explains why and how today's new crop of media moguls might help it to survive
