Penguins Stopped Play Harry Thompson, 2007-04-05 Completely brilliant Ian Hislop It seemed a simple enough idea at the outset to assemble a team of eleven men to play cricket on each of the seven continents of the globe Except hold on a minute that s not a simple idea at all And when you throw in incompetent airline officials amorous Argentine Colonels wives cunning Bajan drug dealers gay Australian waiters overzealous American anti terrorist police idiot Welshmen dressed as Santa Claus Archbishop Desmond Tutu and whole armies of pitch invading Antarctic penguins you quickly arrive at a whole lot more than you bargained for Harry Thompson s hilarious book tells the story of one of those great idiotic enterprises that only an Englishman could have dreamed up and only a bunch of Englishmen could possibly have wished to carry out

broadcasting gaffes sledging short sighted umpires and the first male streaker at Lord's **Different Class** Duncan Stone, 2022-01-11 Shortlisted for the Cricket Writers Club Book of the Year 2022 and the Sunday Times Sports Book Awards Cricket Book of the Year 2023 In telling the story of cricket from the bottom up *Different Class* demonstrates how the quintessentially English game has done more to divide rather than unite the English In 1963 the West Indian Marxist C L R James posed the deceptively benign question What do they know of cricket who only cricket know A challenge to the public to re consider cricket and its meaning by placing the game in its true social political and economic context James was all too subtly attempting to counter the game's orthodox history that he argued had played a key role in the formation of national culture As a consequence he failed and the history of cricket in England has retained the same stresses and lineaments as it did a century ago until now In examining recreational rather than professional first class cricket *Different Class* does not simply challenge the widely accepted orthodoxy of English cricket it demonstrates how the values and belief systems at its heart were under the guise of amateurism intentionally developed in order to divide the English along class lines at every level of the game If the creation of opposing class based cricket cultures in the North and South of England grew out of this process the institutional structures developed by those in charge of English cricket continue to discriminate But as much as the exclusion of Black and South Asian cricketers from the recreational mainstream is the most obvious example it is social class that remains the greatest barrier to participation in what used to be the national game **Cricket, Public Culture and the Making of Postcolonial Calcutta** Souvik Naha, 2023-02-16 What prompts common people to kill a guard and rob an office they thought had some tickets for a Test match Why does a scholar of medieval Bengali literature remark Had life been a sport it would be cricket Who do journalists vindicate by promoting cricket the imperial game par excellence as the life force of the ordinary Indian This book pursues these threads of the people's uncanny attachment to cricket seeking to understand the sport's role in the making of a postcolonial society With a focus on Calcutta it unpacks the various connotations of international cricket that have produced a postcolonial community and public culture Cricket it shows gave the people a tool to understand and form themselves as a cultural community More than the outcomes of matches the beliefs attitudes and actions the sport generated had an immense bearing on emerging social relationships **Cricket's Strangest Matches** Andrew Ward, 2016-04-04 Cricket's Strangest Tales is a fascinating collection of cricketing weirdness and there's a lot of it to choose from Within these pages you'll find a game that was played on ice meet a plague of flying ants who failed to dampen players enthusiasm and examples of the grand old tradition of one armed teams versus one legged teams The stories in this book are bizarre fascinating hilarious and most importantly true Fully revised redesigned and updated with a selection of new material for 2016 this book is the perfect gift for the cricket fanatic in your life Word count 45 000 words

Marcus Berkmann has been a freelance writer since 1988 working for newspapers and magazines and occasionally writing a book like this one He reckons to have written literally millions of words in that time several of them in the right order This his 13th or possibly 14th book is about those years of writing the triumphs few the heartbreaks many the sackings more than you would expect the biscuits many many more than you would expect In it he somehow makes the act of staring out of a window wondering what to say next seem both fascinating and in some strange way enviable whereas like most writers he rarely leaves the house other than to go to the pub or the off licence Often asked how you become a writer his advice remains Please do not There's already enough competition out there and we don't need any more His advance for this book was about enough to buy a packet of Jaffa Cakes Tintin: Hergé and His Creation Harry Thompson,2011-10-13
