The Church Year at Home Christine E. Curley, 2021-07-28 For parents in today's world it can be hard to find the time and resources to fully equip our children to be spiritually mature adults. So much demands our attention and distracts us from God. Curley offers a resource to help parents structure their days and weeks to glorify God and disciple children. Using the church calendar as a guide, she proposes simple and realistic ways as well as resources for the whole family to engage in the Scriptures and thereby push back on the unrelenting culture of today. [Celebrating the Catholic Home: Traditions and Rituals for Every Holiday and Feast Day](#) Clay McCall, 2025-04-04 In a world where traditions often get lost in the hustle and bustle of modern life, rediscovering the rich tapestry of Catholic customs can bring a profound sense of connection and meaning to our daily lives. This book serves as a guide to enriching your family's spiritual journey by celebrating the timeless traditions and rituals associated with every Catholic holiday and feast day. From Advent wreaths to Easter vigils and from saints' feast days to ordinary Sundays, this book covers a wide array of practices that have been cherished by Catholic families for generations. Each chapter delves into the historical and spiritual significance of these traditions, offering practical advice on how to incorporate them into your home. Whether it's crafting a nativity scene with your children, preparing a special meal for All Saints Day, or understanding the liturgical importance of different feast days, this book provides the tools and inspiration you need. One of the central challenges many Catholic families face today is preserving their spiritual heritage amidst a rapidly changing world. This book addresses that problem head-on by offering creative and manageable ways to maintain these traditions. *Crafts Throughout the Year* Anne Campbell, Anne Mikelonis, Kathryn Waite, 1999-09 Teaching religious education can be a challenge. *Crafts Throughout the Year* is a fun and informational way to help kids learn about scripture and the tenets of faith by doing crafts. *Planning for Rites and Rituals* Andrew R. Wright, 2025-07-08 The indispensable guide to curating resources for worship in the Episcopal Church. Newly revised and reorganized, *Planning for Rites and Rituals* is a guide to liturgical planning in the Episcopal Church, organized around the seasons of the church year and the cycle of Sunday readings in the revised common lectionary. Structured as a series of three volumes, one for each year in the lectionary cycle, *Planning for Rites and Rituals* includes guidance for making seasonal choices among the church's authorized worship resources, brief commentary on each Sunday's readings, guidance in approaching the Prayers of the People, and suggestions for observing commemorations from the church's calendar. New introductory material suggests approaches to curating liturgical resources. New editor Andrew Wright has applied his years of experience in planning liturgy at parishes across the Episcopal Church and mentoring clergy to this revision. Including contributions from throughout the church, this volume offers clergy and lay liturgical planners a framework for planning throughout the church year. **52**
