

The background of the slide features a peaceful sunset scene. The sun is low on the horizon, creating a bright, warm glow that reflects on the calm surface of a lake or river. The sky is a mix of soft orange, yellow, and pale blue. In the foreground, an open Bible lies flat on a dark, textured surface, possibly a wooden table. The pages of the Bible are visible, showing text in two columns. The overall mood is contemplative and spiritual.

Pentecostal Spirituality A Passion For The Kingdom:

Pentecostal Spirituality Steven Jack Land, 1993-01-01 In this classic book leading Pentecostal scholar Steven J Land offers a constructive and controversial interpretation a re vision of the Pentecostal tradition As Pentecostalism approaches its centennial Land argues that the early years of the movement form the heart not the infancy of its spirituality and he emphasizes the crucial importance of its Wesleyan Holiness and nineteenth century revivalist restorationist roots Land s foundational study includes an account of the relationship of spirituality and theology a description and analysis of Pentecostal beliefs and practices a demonstration of how these beliefs and practices are integrated into Pentecostal affections a trinitarian definition of Pentecostal Spirituality arguing that a passion for the kingdom of God is ultimately a passion for God Himself *A Passion for the Kingdom* Steven Jack Land, 1991 *A Passion for the Kingdom* Steven Jack Land, Society for Pentecostal Studies (U.S.). Meeting, 1991 *Kingdom Come* Matthew K. Thompson, 2019-05-21 In his *Pentecostal Spirituality A Passion for the Kingdom* 1993 theologian Steven J Land issued a clarion call for Pentecostal theologians to reconsider eschatology outside the categories of premillennial dispensationalism *Kingdom Come* Revisioning Pentecostal Eschatology is Matthew Thompson s constructive answer to Land s invitation Thompson persuasively argues that Pentecostalism s adoption of premillennial dispensationalism as a hermeneutic as a philosophy of history and as an eschatology robs the movement of the potential for dynamic growth and of profound experiences of the power of the Holy Spirit Thompson concludes his account with an engagement of the eschatologies of John Fletcher J rgen Moltmann and Sergius Bulgakov in order to construct what he terms a genuinely Pentecostal eschatology formulated thematically through the lens of the five fold Pentecostal Full Gospel *An Introduction to Pentecostalism* Allan Anderson, 2004-05-13 Global Pentecostalism and Charismatic Christianity in all its diversity is the fastest expanding religious movement in the world today Allan Anderson a former Pentecostal minister and a leading authority on global Pentecostalism aims to make more visible the non western nature of Pentecostalism without overlooking the importance of the movement emanating from North America Offering an innovative interpretation of Pentecostalism he takes seriously the contributions of the Majority World to its development and concentrating on its history and theology reflects on the movement s development and significance throughout the world Anderson also examines those theological issues that helped form a distinctive spirituality and how this relates to different peoples and their cultures Finally Anderson discusses the development of Pentecostal and Charismatic Christianity in the different countries from its origins at the beginning of the twentieth century to its theological emphases in the present together with the impact of the processes of globalization **An Introduction to Pentecostalism** Allan Heaton Anderson, 2013-10-24 Pentecostalism has become the fastest growing Christian movement particularly outside Europe and Allan Heaton Anderson is one of the foremost scholars of this phenomenon His innovative interpretation of Pentecostalism focuses on the serious contribution made by both western and Majority World participants in its development In this second

edition of his leading introductory course book Anderson presents an updated global history of the movement which addresses significant events and changes in recent years and surveys important theoretical issues such as gender and society as well as politics and economics The book also offers a comprehensive explanation of the significance of Charismatic Christianity throughout the world plus its effect upon the globalisation of religion and its transformation in the present century This new edition will be an important resource for those studying Pentecostalism Charismatic Christianity theology and sociology of religion

The Spirit of the Old Testament Rickie D Moore, 2019-05-21 This book features a collection of articles on the Hebrew Scriptures that spring from the author's many years of teaching Old Testament in a context combining academic study and faith formation Covering a wide breadth of topics and texts from the Hebrew Scriptures from the Torah to the Prophets to the Writings the unifying feature that emerges is an approach to Old Testament interpretation that refuses the dichotomy between academic scholarship and Pentecostal spirituality and seeks instead to re fuse the connection between the sacred Scriptures and the Holy Spirit These articles represent an unfolding effort to break ground and open up the emerging field of Pentecostal biblical hermeneutics

Power from on High Max Turner, 2015-04-10 Power from on High offers the first critical survey of scholarship on the subject of Luke's view of the Spirit assessing the rival theories by means of three criteria continuity with Luke's background relationship to other aspects of Luke's theology and Luke's place in the development of more general New Testament thinking about the Spirit Turner provides fresh insight on specific Lukan concepts and favored terms including such phrases as full of the Holy Spirit and baptize with the Holy Spirit that have been of significance not merely for the discipline of New Testament studies but also for confessional theologies of major streams of Christianity today and seeks to advance a more coherent understanding of the general shape of Luke's pneumatology than has hitherto been offered

Salvation in the Flesh David Tremontozzi, 2018-02-01 David Tremontozzi contends that conservative traditional Christianity has uncritically adopted an intellectualist i e rationally driven view of faith in its understanding and practice of salvation Throughout he maintains that an intellectualist soteriology should be rejected because it prioritizes the rational over other behavioral and affective aspects of faith An intellectualist rendering of salvation is incomplete because human experience is neither abstract nor gnostic it is embodied and experientially relevant An intellectualist soteriology simply cannot account for the dynamic and transforming possibilities of saving grace Salvation in the Flesh offers an innovative perspective on the embodied nature of faith and the centrality of the Holy Spirit in the Christian doctrine of salvation Drawing from the cognitive neurosciences and psychology Tremontozzi argues for a holistic awareness of cognition to better inform an embodied understanding of faith In dialogue with the cognitive sciences he appropriates Jonathan Edwards theology of religious affections early church practices and pentecostal spirituality to highlight the soteriological significance of orthodoxy orthopraxy and orthopathy for a renewal soteriology of embodiment In doing so Tremontozzi offers a vision of salvation that more thoroughly accounts for the multifarious ways God's saving grace

Dempster,Byron D. Klaus,Douglas Petersen,1999 This scholarly and engaging collection of essays examines the changes in academic disciplines features of the geographic regions and nuances of the cultural issues related to global Pentecostalism This book comprising a sweeping range of well documented articles on Pentecostal theology hermeneutics Missiology and the social sciences provides the student of Pentecostalism with a fresh insight into the issues and opportunities confronting Pentecostals as they head into the new millennium Here is a window of contemporary scholarship that discloses vigorous engagement with critical issues The editors have provided a resource that promises to stimulate further research and reflection
