

People Love You: The Real Secret to Delivering Legendary Customer Experiences

What you experience is what you remember. The more emotional the experience, the deeper it is branded into your memory. Experience has a massive impact on buying decisions. Every touch point, every time you or someone in your company engages a customer, it creates an experience - something they remember. When they have a negative experience, they tend to vote with their feet (and their wallets) and head straight to your competitors. When customers have positive emotional experiences, it anchors them to your brand, your product or service, and ultimately to you. In the 21st century, competitive advantages derived from unique products or services are short-lived because competitors are able to quickly and easily duplicate or match your offering. Likewise a focus on customer satisfaction and loyalty will no longer give you the competitive edge. Delivering a legendary customer experience has emerged as the single most important competitive advantage for companies across all industries. In *People Love You* you'll learn the real secrets of customer experience including: Seven Essential Principles of Customer EngagementFive Levers for Creating a Legendary Customer ExperienceThe Secret to Bridging the Experience GapHow to Leverage the Pull Strategy to Become a Trusted AdvisorTwo Most Important Rules for Dealing with Pissed-off CustomersIn a hypercompetitive, global marketplace, protecting your company's customer base, the lifeblood of your business, must become your number-one priority. Objections Jeb Blount, 2018-05-17 There are few one size fits all solutions in sales Context matters Complex sales are different from one call closes B2B is different than B2C Prospects territories products industries companies and sales processes are all different There is little black and white in the sales profession Except for objections There is democracy in objections Every salesperson must endure many NOs in order to get to YES

Objections don't care or consider Who you are What you sell How you sell If you are new to sales or a veteran If your sales cycle is long or short complex or transactional For as long as salespeople have been asking buyers to make commitments buyers have been throwing out objections And for as long as buyers have been saying no salespeople have yearned for the secrets to getting past those NOs Following in the footsteps of his blockbuster bestsellers *Fanatical Prospecting* and *Sales EQ* Jeb Blount's *Objections* is a comprehensive and contemporary guide that engages your heart and mind In his signature right to the point style Jeb pulls no punches and slaps you in the face with the cold hard truth about what's really holding you back from closing sales and reaching your income goals Then he pulls you in with examples stories and lessons that teach powerful human influence frameworks for getting past NO even with the most challenging objections What you won't find though is old school techniques straight out of the last century No bait and switch schemes no sycophantic tie downs no cheesy scripts and none of the contrived closing techniques that leave you feeling like a phony destroy relationships and only serve to increase your buyers resistance Instead you'll learn a new psychology for turning around objections and proven techniques that work with today's more informed in control and skeptical buyers Inside the pages of *Objections* you'll gain deep insight into How to get past the natural human fear of NO and become rejection proof The science of resistance and why buyers throw out objections Human influence frameworks that turn you into a master persuader The key to avoiding embarrassing red herrings that derail sales calls How to leverage the Magical Quarter of a Second to instantly gain control of your emotions when you get hit with difficult objections Proven objection turn around frameworks that give you confidence and control in virtually every sales situation How to easily skip past reflex responses on cold calls and when prospecting How to move past brush offs to get to the next step increase pipeline velocity and shorten the sales cycle The 5 Step Process for Turning Around Buying Commitment Objections and closing the sale Rapid Negotiation techniques that deliver better terms and higher prices As you dive into these powerful insights and with each new chapter you'll gain greater and greater confidence in your ability to face and effectively handle objections in any selling situation And with this new found confidence your success and income will soar

Selling the Price Increase Jeb Blount, 2022-06-15 A practical guide for successfully navigating the single greatest growth and profit improvement opportunity for B2B enterprises price increases The payoff for implementing price increases without losing customers is massive Effective price increase campaigns are far more effective at boosting topline revenue and generating profits than acquiring new customers The problem is that price increase initiatives whether broad based or targeted to specific accounts strike fear and anxiety into the hearts of sales professionals and account managers who are tasked with selling them to their customers Approaching customers with price increases sits at the tip top of the pantheon of things salespeople hate to do because they fear that raising prices will reduce sales volume or open the door to competitors Yet when sold effectively customers accept price increases remain loyal and often buy even more In *Selling the Price Increase* The Ultimate B2B Field Guide for Raising Prices Without Losing Customers celebrated

sales trainer Jeb Blount reveals the strategies tactics techniques and frameworks that allow you to successfully master price increase initiatives From crafting effective price increase messages to protecting hard won relationships handling common objections and making the case for the value you deliver this comprehensive guide walks you through each step of the price increase sales process In each chapter you ll find practical exercises designed to help you master the Selling the Price Increase system As you dive into these powerful insights and with each new chapter you ll gain greater and greater confidence in your ability to successfully engage customers in price increase conversations You ll learn How to navigate multiple price increase scenarios broad based targeted non negotiable negotiable defending presenting and asking The eight price increase narratives and three drivers of customer price increase acceptance How to neutralize and get past the five big price increase fears and anxieties How to avoid the big mistakes that trigger resentment and drive customers into the arms of your competitors The 9 Box Risk Profile Framework for targeting accounts for price increases A repeatable process for confidently approaching price increase conversations The Five Step Price Increase Messaging Framework Proven frameworks for reducing resistance and handling price increase objections How to negotiate profitable outcomes with high risk profile accounts Winning strategies for coaching and leading successful price increase initiatives Following in the footsteps of his blockbuster bestsellers Fanatical Prospecting Sales EQ Objections Inked and Virtual Selling Jeb Blount s Selling the Price Increase puts the same strategies employed by his clients a who s who of the world s most prestigious organizations right into your hands Selling the Price Increase is an essential handbook for sales professionals account managers customer success teams and other revenue generation leaders looking for a page turning and insightful roadmap to navigating the essential and nerve wracking world of price increases

Selling in a Crisis Jeb Blount, 2022-10-18 Find the motivation and confidence to stay on top when everything hits the fan In volatile times it is hard to sell It seems like every company is on a spending freeze cutting back or pushing off making decisions Buyers become scarce and the competition for the few that are still buying is fierce People don t want to meet with you objections are harsher customers cancel orders and contracts on a whim and pressure you for price decreases Yet you are still under the same pressure to make your sales number If you don t your income will take a hit Don t even mention the 401 k that you are afraid to even look at with the markets in free fall In this situation it s natural to feel stressed out and feel demotivated In *Selling in a Crisis* the world s most sought after sales trainer Jeb Blount delivers an essential blueprint for staying motivated keeping your pipeline full increasing sales retaining your customers and advancing your career in times of uncertainty and change In his classic no nonsense style Jeb gives you 55 easy to consume tips techniques and tactics that are time tested and proven to help you stay on top when everything and everyone else is down You ll also discover The real secrets to selling more in a crisis The difference between rainmakers and rain barrels and how to find opportunity in adversity Why you must stop swimming naked and put your bathing suit on Why you don t get into buckets with crabs How to be a RIGHT NOW sales professional 7 Steps

of Effective Prospecting Sequences and how to be professionally persistent How to adjust sales messaging to meet the moment The sales secrets of frogs squirrels and horses Sutton's Law and why you must go where the money is Why you need more than charm and a great personality to close sales in a crisis The five questions you must answer in the affirmative for every stakeholder How to handle buying commitment objections in a crisis How to protect your turf from competitors and your profits from price decreases Five ways to protect and advancing your career How to be bold and always trust your cape And so much more Jon Kabat Zinn once said You can't stop the waves but you can learn to surf This is exactly what you'll learn to do in this indispensable guide for sales professionals who are navigating the rough seas of volatility With each chapter you will find the motivation inspiration and confidence catch to rise above the negativity catch your wave and take control of your life career mindset and income
