The People's Train Thomas Keneally, 2017-11-14 Artem Samsurov an ardent follower of Lenin and a hero of the rebellion flees his Siberian labor camp for the sanctuary of Brisbane Australia in 1911 Failing to find the worker's paradise and brotherhood he imagined Artem quickly joins the agitation for a general strike among the growing trade union movement He finds a fellow spirit in a dangerously attractive female lawyer and becomes entangled in the death of another Tsarist exile But Artem can't overcome the corruption repression and injustice of the conservative Brisbane When he returns to Russia in 1917 for the Red October will his beliefs stand Based on the true story of Artem Sergeiv a Russian immigrant in Australia who would play a vital role in the Russian Revolution The People's Train explores the hearts of the men and women who fueled compromised and passionately fought for their ideals *The People's Train* Tom Keneally, 2010-05-01 Thomas Keneally is one of the historical novel's most expert practitioners and his new book sees him back on the form that produced Schindler's Ark Giles Foden Guardian Artem Samsurov a charismatic protégé of Lenin and an ardent socialist reaches sanctuary in Australia after escaping his Siberian labour camp and making a long perilous journey via Japan But Brisbane in 1911 turns out not to be quite the workers paradise he was expecting or the bickering local Russian emigres a model of brotherhood As Artem helps organise a strike and gets dangerously entangled in the death of another exile he discovers that corruption repression and injustice are almost as prevalent in Brisbane as at home Yet he finds fellow spirits in a fiery old suffragette and a distractingly attractive married woman who undermines his belief that a revolutionary cannot spare the time for relationships When the revolution dawns and he returns to Russia will his ideals hold true Based on a true story The People's Train brings the past alive and makes it resonate in the present With all the empathy and storytelling skills that he brought to bear in Schindler's Ark Tom Keneally takes us to the heart of the Russian Revolution through the dramatic life of an unknown inspiring figure Like Schindler Samsurov was no saint but he was an individual who played a vital role in world changing events *Thomas Keneally's Career and the Literary Machine* Paul Sharrad, 2019-08-30 Booker Prize winner and Living National Treasure Thomas Keneally still divides critical opinion he is both a morally challenging stylist and a commercial hack a wise commentator on society and a garrulous leprechaun Such judgements are located in the cultural politics of Australia but also linked to ideas about what a literary career should look like Thomas Keneally's Career and the Literary Machine charts Keneally's production and reception across his three major markets noting clashes between national interests and international reach continuity of themes and variety of topics settings and genres the writer's interests and the publishers push to create a brand celebrity fame and literary reputation and the tussle around fiction history allegory and the middlebrow Keneally is seen as playing a long game across several events rather than honing one specialist skill a strategy that has sustained for more than 50 years his ambition to earn a living from writing *New Statesman*, 1996
