

PeopleSoft Finance Access Training Guide

How To: Request/Modify Access

Purpose:

1. Introduce the On-Line Finance Access Forms.
2. "How To" Request/Modify Access: Add a New Value
3. "How To" view your requested security access workflow and your existing department and user roles.

Step#	Illustration:	Description:
1.		On-Line Finance Access Forms This new electronic process is set to go live August 19th 2013, eliminating the hard copy Financials Access Application as shown on the left. The primary functions of the on-line Finance Access Forms provide three selections: Request/Modify Access: This will allow the user to initiate a process to request security access changes for themselves or for others. Additionally the user can view their existing departmental and user roles as well as the ability to view the workflow status of the requested changes. Approve Access: This selection allows employees, major area budget managers and other workflow approvers to Approve, Send Back or Deny the requested on-line security access form. View Existing Access: Provides users the ability to view the existing security access roles and department access for themselves or any other user.
