

An abstract painting depicting a seascape. A large, white, billowing wave dominates the right side of the composition. To the left, there are green, leafy shapes that could represent seaweed or a small island. The background is a mix of grey, white, and yellowish-green brushstrokes, suggesting a sky or distant land. The overall style is expressive and painterly.

Writing the North of the North / L'Écriture du Nord du Nord / Den Norden des Nordens (be-)schreiben Annie Bourguignon, Konrad Harrer, 2019-11-29 The expression North of the North refers both to an objective geographical reality the territories situated at the highest latitudes on our planet and to a subjective mental construction which came into being many centuries ago and has been developed modified and differentiated ever since The chapters in the present volume examine various aspects of that concept analysing texts and works of art from a range of regions and periods La notion de Nord du Nord renvoie tout autant la réalité géographique objective que sont les territoires des latitudes les plus élevées de notre planète qu'une construction mentale subjective qui s'est constituée et développée et modifiée au cours du temps Les contributions du présent volume se proposent d'en explorer les multiples facettes en recourant des textes et œuvres d'art d'époques et de provenances diverses Der Begriff Norden des Nordens verweist sowohl auf eine objektive geographische Wirklichkeit nämlich die in den höchsten Breitengraden unseres Planeten gelegenen Territorien als auch auf eine subjektive mentale Konstruktion die im Laufe der Zeiten entstanden ist sich fortentwickelt und ausdifferenziert hat Die im vorliegenden Band enthaltenen Beiträge erforschen die vielfältigen Facetten dieses Begriffs anhand von Texten und Kunstwerken aus verschiedenen Regionen und Epochen
